DEPARTMENT OF PHYSICS

DEBATE REPORT – SEPTEMBER 2023

As a part, of participatory learning the department of Physics organised a debate on the topic, “Is the use of Artificial Intelligence (AI) a Net Positive or Negative for Society” on 29th September at 1pm. There were two teams. A team, expressing the positive views of AI and the other team expressing the negative views of AI. Each team was engaged with 5 members each. The participants are from III B.Sc. Physics, I M.Sc. Physics and II M.Sc. Physics. The program started by 1.15pm in the presence of the Head of the department, Dr. S. Antony Dominic Christopher, the department staff members and students. On behalf of the chairperson of the debate , Mrs. Beena. V, Assistant Professor, Department of Physics the debate started with the introduction of the topic to the participant. The team members expressed their ideas and views in a very interesting and enthusiastic way. The opponents also tried to suppress other team with strong and evident thoughts. It was interesting and to here and understand the thinking ability of the students in this new AI world. The positive views expressing team was so strong in their ideas. The debate was concluded by 1.45pm.

Sub: Intimation – Regarding conducting debate for MSW students.

Respected Sir,

With due respect, the Social Work department of Nanjil Catholic College of Arts and Science, is going to arrange a debate for MSW students on 12th February 2024 in the topic “Whether nuclear family or joint family the best one for recent world”. This debate will be helpful for the students to understand about the impact of nuclear and joint family in the recent world. We hope that you would be kind enough to permit us to arrange the debate for our MSW students. We shall be highly obliged if you kindly allow us to make this program.

Thanking you

“WHETHER NUCLEAR FAMILY OR JOINT FAMILY THE BEST ONE ON RECENT WORLD”

DATE: 12/02/2024

DEBATE REPORT

The department of social work from Nanjil Catholic College of Arts and Science conducted a debate on 12 February 2024 in the topic “Whether Joint Family or Nuclear family is the best one on recent world”. All the Students Staffs participated in the debate. The students were divided into two groups and the coordinator gave rules and regulations for the debate. The primary goal of conducting such debate is to imply effective critical thinking into primary issues on the given topic. One of the purpose of the debate was to express one’s view about the particular topic. The art of debating helps the participants to improve their viewpoints. Debate shows the mentality of group members. The main attraction of the debate is strong arguments that carried out by each group and its cross. The group members need to be more vigilant and clearer about their points. Both the team participated actively. Around 3 sessions carried out in the debate. After mediators and staff’s valid suggestions, the debate came to an end at 1.45 PM They concluded that both types of family have its positive side along with drawbacks in the present scenario.
