WORKSHOP ON SPSS

Basic Data Management and Statistical Using SPSS

Date: 31/01/2024

Venue: Seminar Hall 1

INTRODUCTION

The first and second year students of the Social Work Department, along with the staff are attending a workshop on basic data statistical management using SPSS at 10 am. The program will begin with MC and a prayer song followed by a welcome speech. After that the resource person will start the class section.

OBJECTIVES

- To learn about basic data management and statistics using SPSS.
- To learn more about SPSS and how to apply it in social work trainee field work
- To learn about the history techniques and tools of SPSS for conducting field work and to the data analysis.
- To gain constructive knowledge about the technical systems for field work data analysis.
- To know more about the technical systems for field work data analysis.

PERFORMED ACTIVITES

Workshop on Basic Data Management and Statistical Analysis using SPSS. The committee members are as follows:

Coordinator	Leena Jose (II nd MSW)
Assistant Coordinator	Jerald Stephen (I st MSW)
Resource Person	Sunitha S (Senior Research Fellow)
Felicitation	Rev.Dr.Fr.Eckermence Michael (Secretary) Dr. Amalanathan (Principal)
Refreshment	Adarsh Joseph (II nd MSW)
Discipline	Gayathri S L (I st MSW)
Time Management	Lalitha R S (I st MSW)
Welcome Speech	Sithara Raveendran (I st MSW)
Finance	Leena Jose, (II nd MSW)
Vote of Thanks	Anju A S (II nd MSW)
Prayer Song	Anu P S (I nd MSW)
Documentary	Anu P S & Rosy (I st MSW)
Master of Ceremony	Anila K (I st MSW)

LEARNINGS:

The social work trainee has learned about SPSS to improve data management for field work reports. Additionally, the training covered basic data management and statistics using SPSS.

- Statistical passage of social science
- The first version of SPSS was released in 1998
- Now the used version is 2020

6 Windows listed below for doing data analysis:

1. Data editor
2. Output viewer
3. Syntax editor
4. Pivot table editor
5. Chart editor
6. Text output editor

The resource person explained about all these factors with a complete detail and working exercise.

EVALUATION:

Social work trainees attended the workshop on Basic Management and Statistics using SPSS. The program was very useful for the trainees' field work. However this particular section was a bit melancholic as they did not provide enough explanation about the format. Majority of the trainees found it difficult to follow.

CONCLUSION:

SPSS is very useful for trainees in the field work. All the trainees patiently cooperated with the program, and the day was of disciplined. The whole responsibilities were fulfilled by each section coordinators respectively.

FEEDBACK:

- ❖ The programme was an interactive session.
- ❖ The students actively participated in that programme
- ❖ It generated group cohesion among the students
- ❖ Students developed cooperative spirit

Report on *“EDII Hackathon Awareness Programme”*

Nanjil Catholic College of Arts & Science, Kaliyakkavilai, the entrepreneurship cell organized an awareness programme title, “EDII Hackathon Awareness programme” for the final year Arts students on 1st March 2024, at 12.45 pm in the Seminar Hall I.

The programme began with the invocation of God with a prayer song by III B.Com A1 students. Miss P. Ashmi of III B.Com A1 welcomed the gathering. Dr.R Shoba Rani, the co-ordinator of Entrepreneurship cell introduced the guest Mr.R.Rajesh, District coordinator, EDII-TN, Kanyakumari District.

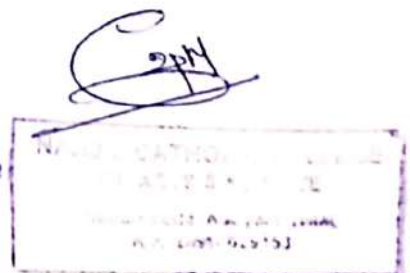

Mr.R.Rajesh delivered a key note address. He highlighted the roles and responsibilities of an entrepreneur. The speaker shared his entrepreneurship journey and explained how entrepreneurs see a problem as an opportunity for business. The speaker showed some videos related to the topic and he spoke about the startup and challenges faced by an entrepreneur.

Ms S.V Divya Sree of III B.Com proposed the vote of thanks. Finally the programme came to end with National song. Feedback from the students are requested at the end of the programme. All the student participants highly appreciated the programme.

Contemporary Theoretical Landscapes

Report

The department of English, Nanjil Catholic College of Arts and Science, Kaliyakkavilai, organized a workshop on 14th March, 2024 in the topic 'Contemporary Theoretical Landscapes' with the objective of sharing knowledge to students, research scholars and faculty of the department in the domain of research. The workshop was attended by 157 participants. The resource person for the webinar was Dr. Vahitha Mohizin, Assistant Professor of English, S.T. Hindu College, Nagercoil.

The workshop began with a prayer song sung by the students of English department choir at 11:15 AM. It was followed by the welcome address from Mr. Vineesh of III BA English. The principal of the college, Dr. M. Amalanathan shared the felicitation and conveyed his words of greetings. A memento was presented by the principal to the resource person as a token of remembrance. Dr. R. Rooban Raja Sekhar, Head and Assistant Professor of English, introduced the chief guest of the programme.

The keynote address was given by the resource person Dr. Vahitha Mohizin on the topic 'Academic Writing and Contemporary Theoretical Landscapes'. She began her presentation talking about the importance of communicating in English and reading.

Further she elucidated the challenges in doing research. By presenting the traits of good research work, she elaborated the elements like inter-textuality, structure of argument, synthesis in academic writing and incorporating relevant theories in research. Doubts in regard to the session were clarified at the end of the session.

The feedback about the session was collected from all the participants to improve the sessions that will be conducted in the near future. The session ended with the vote of thanks by Miss.Akshaya S of I BA English. The participants were given certificates. The objective of the workshop was achieved. The overall session benefitted the research scholars and students.

About the Organizers:

The College

Nanjil Catholic College of Arts and Science, Kaliyakkavilai is the pride of the Diocese of Kuzhithurai, Kanyakumari District, established in the year 2012. The Patron of the college is Most. Rev. Dr. Albert Alexander, DD,STD, Bishop of Kuzhithurai Diocese. From a humble beginning, it has grown in leaps and bounds to stand tall today under the leadership of Rev.Fr. Dr.M. Eckermens Michael with a vision of providing exceptional educational and research opportunities. The college currently offers 10 undergraduate, 8 post-graduate courses and 5 Doctoral programmes. Creation of employment oriented skills is an additional goal. Other facilities and amenities available in the campus include a study centre of Indira Gandhi National Open University offering various Certificate, Diploma and Degree programmes Courses and MBA Twinning Programmes under Pondicherry University.

The Department

The Department of Physics excelled as the first research department of the College. We have a team of well experienced, dedicated and competent faculty. The department has well equipped laboratories with internet facility and smart class rooms to enrich the students with latest technologies. The facilities available in our research lab are Spin coater, Dip coater, UV-Visible Spectro photometer, LCR Meter, Microwave Ovens, Muffle furnaces, Hot plates, particle size analyser, Distillation plant, etc. We also encourage researchers from other institutions to utilize our research facilities.

Objective of the Conference

*The conference is aimed at bringing together the scientific and technical community to share their knowledge in the recent trends on the processing, characterization and application of advanced materials.

*Eminent persons in various fields share their experience and knowledge with the participants, which in turn are expected to provide the participants a complete knowledge in the areas proposed in this conference and stimulate them to pursue quality research.

Call for papers

You are cordially invited to participate in the International Conference on Advanced Materials (ICAM-2024) on March 25, 2024. Postgraduate, M.Phil., and Ph.D. scholars and faculty members of Physics and Chemistry can participate. Papers are invited for presentation (oral or poster) related to different areas in Materials Science Research including the following:

- Crystal growth
- Thin films
- Nanomaterials
- Spectroscopy
- Nonlinear optical materials
- Organic materials
- Inorganic materials
- Theoretical Physics
- Astro Physics

Guidelines – Abstract/Paper submission

The authors are invited to submit their abstract and full paper in the following format on or before 16th March 2024 to nanjilphysics.icam2024@gmail.com.

Abstract	: 250 words(max)
Full Paper	: 5 Pages
Font Style	: Times New Roman
Font size	: 12
Line Spacing	: 1.5 pt.
Paper Size	: A4
Format	: MS Word

ORAL/POSTER PRESENTATION

Abstract and Full paper for oral/Poster presentation are invited from researchers in the prescribed format. All accepted papers will be published in the conference proceedings with ISBN number.

PARTICIPATION

Certificates will be provided only to the registered participants who attended all the sessions.

Report on
INTERNATIONAL CONFERENCE ON ADVANCED MATERIALS
ICAM-2024

An international conference on 'Advanced Materials' was organized by the Department of Physics & Research Centre on the 25th of March, 2024 for academicians and researchers of the higher education fraternity. Researchers submitted their original and unpublished papers concerning the broad theme of the conference addressing their papers to specific sub-themes. Approximately 45 papers were submitted and presented in this conference.

The conference commenced at 09:30 a.m. with Tamil Thai Vazhthu by the department choir followed by a welcoming address by the head of the department Dr. S. Antony Dominic Christopher. The inaugural session started with lighting of the lamp by all the delegates in the dais and two student representatives. The felicitation ceremony then ensued by inaugural address given by Dr. M. Amalanathan, the Principal of NACCAS and concluded with the formal release of the conference proceedings by the eminent academicians who had graced the occasion.

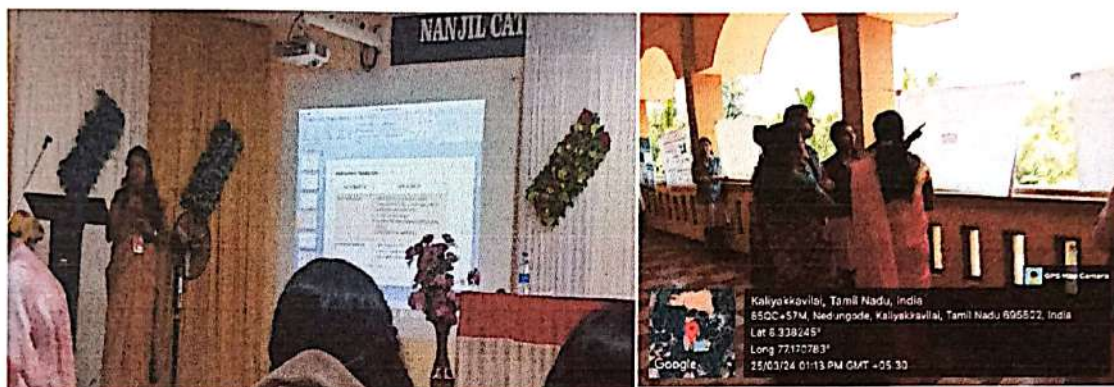

The first technical session started by the introduction of the speaker Dr. I. John Berlin, Assistant Professor of Physics, Mar Thoma College, Thiruvalla. He was introduced by Dr. P.M. Shajin Shinu, Assistant Professor of Physics, NACCAS. The session was about 'Spintronics' which is considered as one of the most important emerging research areas with an immense potential to provide high speed, low power and high density logic and memory electronic devices.

Post a brief tea break, the next speaker Dr. P. Thillai Arasu, Professor in Wollega University, Ethiopia was introduced by Dr. S.S Bidhu, Assistant Professor of Physics, NACCAS. He handled the session online through Google Meet platform. His talk on 'Composite Materials' exceeded the expectations of all the participants and it gave a new insight about composite materials to them.

This was followed by the paper presentations that were conducted in two parallel tracks. The first track on oral presentations was chaired by the invited speakers Dr. I. John Berlin and Dr. P. Sumithraj Premkumar. Simultaneously, poster presentations were judged by Dr. Priya Rajini and Dr. Mary Sheeba, Assistant Professors of Chemistry, NACCAS.

After lunch, the third invited speaker Dr. P. Sumithraj Premkumar, Assistant Professor of Physics, St.John's College, Palayamkottai was introduced by Mrs. V. Beena, Professor of Physics, NACCAS. The session was about 'Metal Oxide Nanoparticles- A promising materials for the Supercapacitor Applications'. He explained in a very interesting manner about effectiveness of Electrochemical Energy Storage over conventional storage solutions.

It was followed by the valedictory session in which the award ceremony was conducted where Dr. P. Sumithraj Premkumar awarded certificates and mementos to the best paper presentations from each tracks. Also, certificates were provided for other paper presenters and participants.

The conference concluded with a vote of thanks by Dr. T.R. Jeena, Assistant Professor of Physics, NACCAS followed by national anthem.

National Seminar on Stress Management and Decision Making

The Department of zoology was organized a National Seminar on Stress Management and Decision Making on 26-03-2024 in the seminar hall I. The seminar was started by inaugural ceremony with a prayer song by our students. Welcome the gathering by Jebisha from I B.Sc, Zoology . Our Principal Dr.M.Amalanathan, Naccas, Felicitated the program, and appreciate the organizers and the participants and also motivated the students to successfully participated. Our resource person Mr. Alfred Dhas, Principal, Cross paramedical college, Nagercoil, presented the related topic to discuss and better understand the impact. Managing stress can help you lead a more balanced, healthier life. Stress is an automatic physical, mental and emotional response to a difficult. In simple terms, decision making is the process of making choices by recognizing the problem, gathering information about feasible solutions, and finalizing the best alternative. The students understood the causes of stress and got the idea to manage the stress and decision making. At the end of the seminar was concluded by Vote of thanks by Arulin, II B.Sc. Zoology.

Dear Respected Father,

Sub: Permission for International Seminar on-27.03.2024 (Wednesday)

We are planning to organize the International Seminar on "General and Applied aspects of Chemistry" on 27.03.2024 in our department. A good number of students and scholars from other institutions are expected to participate in the seminar.

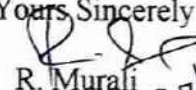

It is a kind request to grant permission for the above programme.

Thanking You Father

ABOUT THE COLLEGE

Nanjil Catholic College of Arts and Science, Kaliyakkavilai is the pride of Kuzhithurai Diocese, Kanyakumari District. The vision of the college is to strive to be a world class institution in transforming lives of students through an innovative, professional, compassionate and lifelong learning approach to education. The mission of the college is to provide innovative educational opportunities, environments and experiences that enable students to learn, grow, prosper and transform the world. The patron of the college is Most Rev. Dr. A. Albert Anastas, SDB, Bishop of Kuzhithurai Diocese.

Rev. Fr. Dr. M. Eckermens Michael is the Secretary and Correspondent of the college. Rev. Fr. A. Domi Lilil Raja is the Treasurer of the college. Dr. M. Amalanathan is the Principal of the college.

The college currently offers Ten UG and Eight PG programmes. Five departments have been recognized as research centres. A study centre of the Indra Gandhi National Open University is also functioning in the college.

ABOUT THE DEPARTMENT

The Department of Chemistry is one of the earliest department established by the Nanjil Catholic college of Arts and Science. This department came into existence in June 2014. Department of Chemistry offers programs leading to BSc and MSc, degrees. The department has been recognized as research centre by MS University. The department has been engaged in imparting the highest level of quality education in chemistry.

CALL FOR PAPERS

Papers are invited on the proposed themes of the Seminar. Authors are requested to send an abstract of about 300 words, typed on A4 size paper in Times New Roman having font size 12.

ABOUT THE SEMINAR

The main objective of seminar is to sensitize and stimulate the young minds to bring out the best among the various frontiers of Chemistry. So this would generate awareness among the stakeholders about the innovative approaches to advances in chemical sciences. This seminar will focus on different areas of chemical sciences as given below.

Major Themes of the Seminar

Nano materials
Catalysis
Polymer Materials
Environmental Science
Biochemistry
Corrosion Science

INTERNATIONAL SEMINAR
ON
“GENERAL AND APPLIED ASPECTS OF CHEMISTRY”

Our department of Chemistry organized a seminar on 27.03.2024 in the Seminar Hall-I. The programme was started at 09.30 a.m. The topic chosen for the International Seminar was “General and Applied Aspects of Chemistry”. The programme was started with the prayer song, sung by Chemistry students. Dr. R. Murali, HOD of Chemistry gave the Welcome Address. Our Secretary Rev. Fr. Dr. M. Eckermens Michael gave the Presidential Address. The Principal Dr. M. Amalanathan gave the felicitation. Then the Book of Abstracts was released on the stage.

The Seminar had two sessions. In the first session, Dr. K. Anoop Krishnan, Scientist of National Centre for Earth Science Studies, TVM, Kerala taught the students well about Geology. He cleared all the doubts asked by the students. He explained about water pollution, parameters and quality of water.

Next, Dr. C. V. Suneesh, Assistant Professor and Head Department of Chemistry, University of Kerala, TVM, Kerala gave more informations about porous polymer materials, their importance, synthetic methods and applications. It was very much interesting.

This was followed by an online presentation by Dr. Jerom Peter, International Research Professors, School Of Chemical Engineering, Yeungram University, Gyeongsan, Republic of Korea. He also explained about wafers in semiconductors, their preparation methods and applications.

In Session- II, Paper Presentation was done by Students of various colleges and NACCAS. The staff and students from various colleges actively participated in the Seminar. Nearly 100 participants were there. At last, Delina & Group, Department of Chemistry gave a cultural acivity to the audience. Then Vote of Thanks was given by Mr. S. Varun, I M.Sc Chemistry. The programme was ended with National Anthem at 3.30 pm.
