Day 2

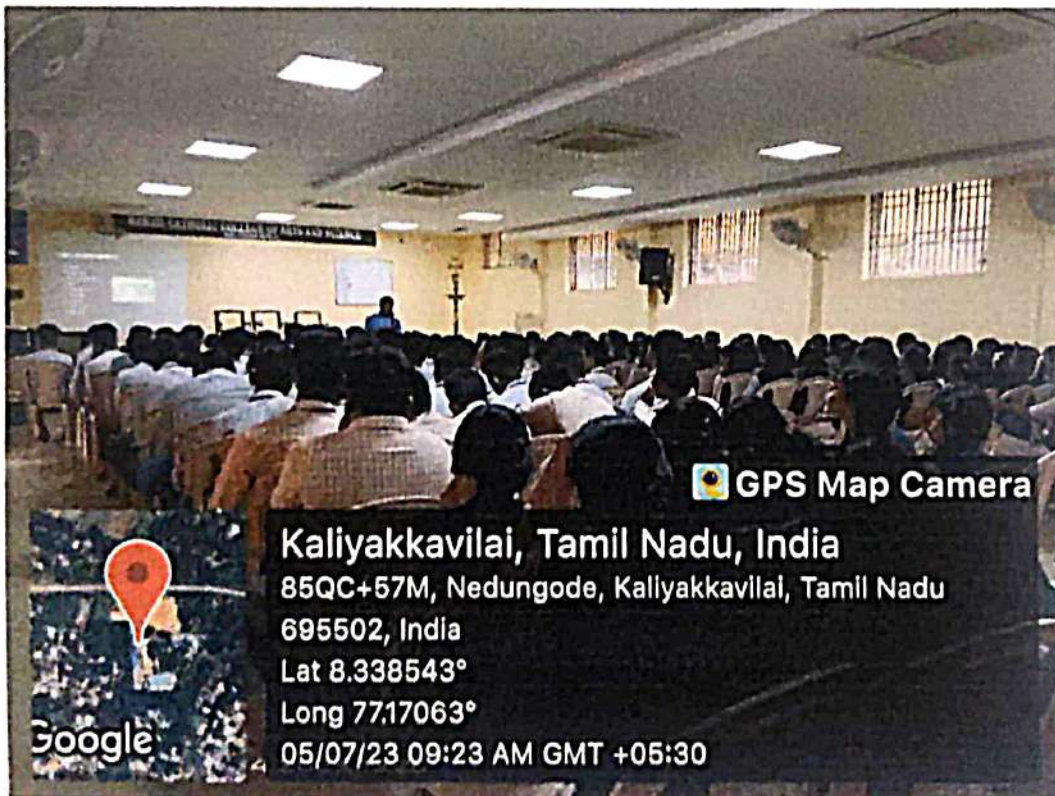

The day was initiated by Rev. Fr. Sebastian Francis, director, Sigaram Academy of Excellence, with the topic **MOTIVATION AND GUIDANCE FOR A MEANINGFUL LIFE**. He started the session with a very creative introductory session, where students had to introduce themselves in a novel way. He then stated the relevance of the title, from his point of view. He gave examples with the aid of videos and pictures. The students were given a questioner regard to the session. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names ( without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise. The session came to an end, after clearing the doubts and clarifications of the students.

The second session was given by Mr. Godwin Jinu, the dean, Sigaram Academy of Excellence, with the title **GOAL SETTING AND CAREER PLANNING** . His session was unique and informative. He spoke about the importance of communicate skills and the ways to improve in it. During his presentation, gave an overview of the career-oriented undergraduate courses in general science, arts, accounts and management and explained the relative job prospects and benefits of most of the courses. He said that there had been a shift from unemployment to unemployability in the recent years and it was very important for students to choose careers that would make them employable. One's goals, interests, personality, interest attitudes etc. should be some of the parameters in choosing one's career.

The third session was again continued by Rev. Fr. Sebastian Francis with the title **STUDY SKILLS – STUDY METHOD, TIME MANAGEMENT, MEMORY SKILLS AND READING**

SKILLS. Based on the title, Fr. Sebastian gave different methods and strategies to uplift the study process by means of time management and memory enhancing capabilities. He also emphasised that career decision is one of the most significant decisions in one's life and therefore, it must not be taken under parents' compulsion or peer pressure. He also motivated the students to never go out of following their passion. Then came Dr. K Lucas with ten questions from each session that they had observed. **ORIENTATION PROGRAMME FOR SECOND**  
**YEAR STUDENTS 2023-2024**

An orientation programme for second year under graduates for the academic year 2023 -2024 was organized on 04-07-2023. On the day, the students were give different topics with entertainment and information using video aid and ppt. Here is the list of topics

MOTIVATION AND CAREER PLANNING

21 ST C SKILLS AND CORE LIFE SKILLS

HIGHER STUDY, JOB OPPORTUNITIES AND COMPETITIVE EXAMINATIONS

The day was initiated by Rev. Fr. Sebastian Francis, director, Sigaram Academy of Excellence, with the topic MOTIVATION AND CAREER PLANNING. He started the session with a very creative introductory session, where students had to introduce themselves in a novel way. He then stated the relevance of the title, from his point of view. He gave examples with the aid of videos and pictures. The students were given a questioner regard to the session. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names ( without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise. The session came to an end, after clearing the doubts and clarifications of the students.

The second session was given by Mr. Godwin Jinu, the dean, Sigaram Academy of Excellence, with the title 21 ST C SKILLS AND CORE LIFE SKILLS. His session was unique and informative. He spoke about the importance of communicate skills and the ways to improve in it. He kept on stating that the job opportunities in and around the country is plenty but there are not enough qualified people around. During his presentation, gave an overview of the career-oriented undergraduate courses in general science, arts, accounts and management and explained the relative job prospects and benefits of most of the courses. He said that there had been a shift from unemployment to unemployability in the recent years and it was very important for students to choose careers that would make them employable. One's goals, interests, personality, interest attitudes etc. should be some of the parameters in choosing one's career.

The third session was again continued by Rev. Fr. Sebastian Francis and My. Godwin Ginu in seminar hall 1 & 2, by splitting the arts and science students, with the title HIGHER STUDY, JOB OPPORTUNITIES AND COMPETITIVE EXAMINATIONS. This session predominantly focused on future opportunities of the students. Fr. Sebastian Francis spoke about the higher education opportunities in India and abroad. He pointed to top institutions and their entrance examinations in different sectors. He then focused on competitive examinations at different levels and their preparations. He mentioned a website 'mhrdnats.gov.in' which helps make the process of applying for apprenticeship easier as most of the steps are to be done online and being a national portal, there are many companies tied along with it. He then spoke about their motto 'Creating Job Creators' and enlightened us on a path besides jobs. In doing so, he

introduced us to the path of entrepreneurship and spoke about qualities of an entrepreneur, how they cannot be learnt but cultivated over time. The session was vital and informative to the students and professors present in the hall.

### ORIENTATION PROGRAMME FOR THIRD YEAR UG & SECOND YEAR PG 2023-2024

An orientation programme for third year under graduates & second year post graduates, for the academic year 2023 -2024 was organized on 05-07-2023. On the day, the students were give different topics with entertainment and information using video aid and ppt.

Here is the list of topics

MOTIVATION AND CAREER PLANNING

21 ST C SKILLS AND CORE LIFE SKILLS

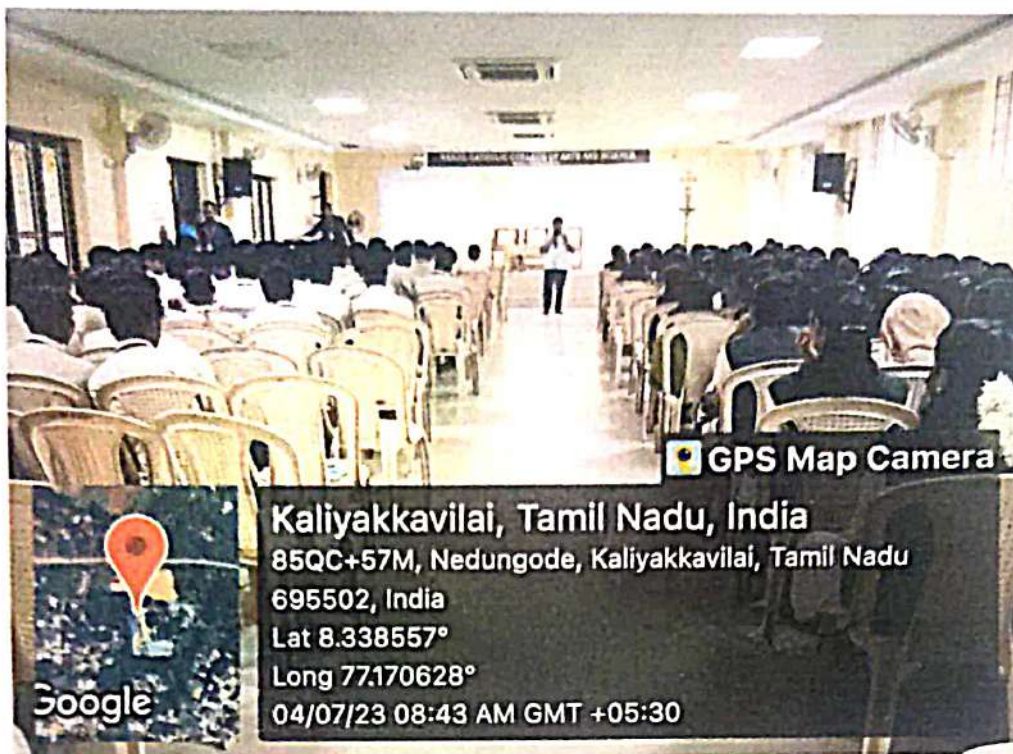

HIGHER STUDY, JOB OPPORTUNITIES AND COMPETITIVE  
EXAMINATIONS

The day was initiated by Rev. Fr. Sebastian Francis, director, Sigaram Academy of

Excellence, with the topic MOTIVATION AND CAREER PLANNING. He started the session with a very creative introductory session, where students had to introduce themselves in a novel way. He then stated the relevance of the title, from his point of view. He gave examples with the aid of videos and pictures. The students were given a questioner regard to the session. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names ( without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise. The session came to an end, after clearing the doubts and clarifications of the students.

The second session was given by Mr. Godwin Jinu, the dean, Sigaram Academy of Excellence, with the title 21 ST C SKILLS AND CORE LIFE SKILLS. His session was unique and informative. He spoke about the importance of communicate skills and the ways to improve in it. He kept on stating that the job opportunities in and around the country is plenty but there are not enough qualified people around. During his presentation, gave an overview of the career-oriented undergraduate courses in general sciencce, arts, accounts and management and explained the relative job prospects and benefits of most of the courses. He said that there had been a shift from unemployment to unemployability in the recent years and it was very important for students to choose carcers that would make them employable. One's goals, interests, personality, interest attitudes etc. should be some of the parameters in choosing one's career.

The third session was again continued by Rev. Fr. Sebastian Francis and My. Godwin Ginu in seminar hall 1 & 2, by splitting the arts and science students, with the title HIGHER STUDY, JOB OPPORTUNITIES AND COMPETITIVE EXAMINATIONS. This session predominantly focused of future opportunities of the students. Fr. Sebastian Francis spoke about the higher education opportunities in India and abroad. He pointed top institutions and its entrance examination in different sectors. He then focused on competitive examinations on different levels and its preparations. He mentioned of a website 'mhrdnats.gov.in' which helps make the process of applying for apprenticeship easier as most of the steps are to be done online and being a national portal, there are many companies tied alongwithit. He then spoke about their motto 'Creating Job Creators' and enlightened us on a path besides jobs. In doing so, he introduced us to the path of entrepreneurship and spoke about qualities of an entrepreneur, how they cannot be learnt but cultivated over time. The session was vital and informative to the students and professors present in the hall.

A REPORT  
ON  
ORIENTATION PROGRAMME FOR FIRST  
YEAR PG STUDENTS 2023-2024

An orientation programme for the first year post graduate students 2023 -2024 was organized on 05-09-2023. The students were given different topics with entertainment and information using video aid and ppt. The list of topics as follows

1. MOTIVATION FOR A MEANINGFUL LIFE
2. GOAL SETTING, TIME MANAGEMENT & DEVELOPING DIGITAL SKILLS
3. HIGHER STUDIES AND COMPETITIVE EXAMINATIONS

The day was initiated with a prayer song and then, Mrs. M.S. Subi, Assistant Professor, Department of English, welcomed the gathering with her cheerful voice. The principal of NACCAS, Dr. M. Amalanathan, give his presidential address with added information about the orientation programme. Then came Rev. Fr.Dr.M. Eckermens Michael, Secretary, NACCAS, to introduce the guests and instructed the students to follow their passion and the importance of education. He then boosted the confidence of the students by giving several examples from his own personal live and other. He further stated the essence of knowledge, live and education. Then, the session was given to the resource persons Rev. Fr. Sebastian Francis & Mr. Godwin Jinu, to proceed with their topics.

Rev. Fr. Sebasitian Francis, director, Sigaram Academy of Excellence, with the topic **MOTIVATION FOR A MEANINGFUL LIFE** . He started the session with a very creative introductory session, where students had to introduce themselves in a novel way. He then stated the relevance of the title, flom his point of view.

He gave examples with the aid of videos and pictures. The students were given a questioner regard to the session. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names ( without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise. The session came to an end, after clearing the doubts and clarifications of the students.

The second session was given by Mr. Godwin Jinu, the dean, Sigaram Academy of Excellence, with the title GOAL SETTING, TIME MANAGEMENT & DEVELOPING DIGITAL SKILLS. His session was unique and informative. He spoke about the importance of communicate skills and the ways to improve in it. He kept on stating that the job opportunities in and around the country is plenty but there are not enough qualified people around. During his presentation, gave an overview of the career-oriented undergraduate courses in general science, arts, accounts and management and explained the relative job prospects and benefits of most of the courses. He said that there had been a shift from unemployment to unemployability in the recent years and it was very important for students to choose careers that would make them employable. One's goals, interests, personality, interest attitudes etc. should be some of the parameters in choosing one's career.

The third session was shared between Rev. Fr. Sebasitian Francis and Mr. Godwin Jinu with the title HIGHER STUDIES AND COMPETITIVE EXAMINATIONS . Science students were taken to seminar hall 1 & Arts students stayed in seminar hall 1. Based on the title, both Fr. Sebasitian & Mr. Godwin Jinu gave different methods and strategies to uplift the study process by means of time management and memory enhancing capabilities. Thought the session he took over the dais and inspired all the young minds with a detailed discussion on the ample of opportunities and career options they can choose from Science, Commerce and Arts. He also emphasised that career decision is one of the most significant decisions in one's life and therefore, it must not be taken under parents' compulsion or peer pressure. He also motivated the students to never go out of following their passion. The session came to an end 01:00 pm with a vote of thanks by student representative and with a national anthem.
