Action Taken Parents feed Back Report 2023- 2024(ODD)

Based on the feedback given by the parents it was decided that the college infrastructure would be improved and more facilities like name boards, sign boards and more restrooms would be provided. The laboratories were made more spacious and well ventilated. Students were provided more opportunities for sports and students were taken out for several competitions outside the district also. The Good Samaritan scheme was used to help the financially poor students to pay off their semester fee.

Parent Feedback on designing and review of syllabus

Department of Mathematics collected feedback from parents about designing and review of syllabus and for it collected responses from parents from set of questions they are:

- ❖ The quality and relevance of the courses included in the Curriculum
- ❖ The quality of the subject matter in the Curriculum
- ❖ Availability of choices [electives] under choice based credit system
- ❖ Inclusion of current development in the curriculum and catering to future needs
- ❖ Outcomes that your ward has achieved from the Curriculum
- ❖ Employability of the Curriculum
- ❖ Transformation of your ward after the completion of the Programme.

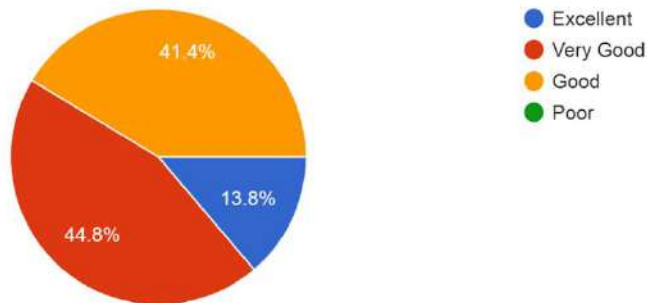

1. The quality and relevance of the courses included in the Curriculum
29 responses

It illustrates that 41.4% of the respondents found good quality and relevant to the courses included in the curriculum, 37.9% of the respondents have very good appreciation about the syllabus and 17.2% of the respondents say that the syllabus is excellent and it is very relevant to the course.

2. The quality of the subject matter in the Curriculum

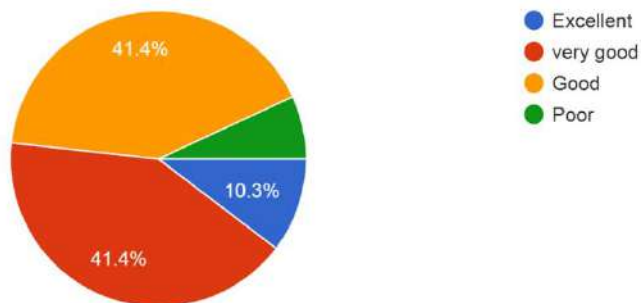

29 responses

It shows the quality of the subject matter in the Curriculum. About 44.8% of the respondents is very good with the quality of the subject matter in the Curriculum, 41.4% of the respondents is good with the quality of the subject matter in the Curriculum and 13.8% of the respondents is excellent with the quality of the subject matter in the Curriculum.

3. Availability of choices [electives] under choice based credit system

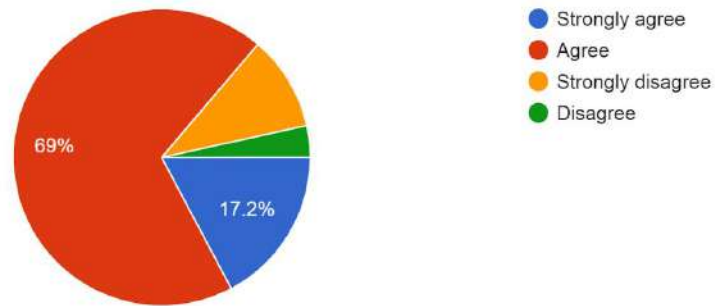

29 responses

About 41.4 % of the respondents good that the availability of choices or electives under choice based credit system, 41.4 % says that availability of choices orelectives under choice based credit system is very good and 10.3% that availabilityof choices or electives under choice based credit system is excellent.

4. Inclusion of current development in the curriculum and catering to future needs

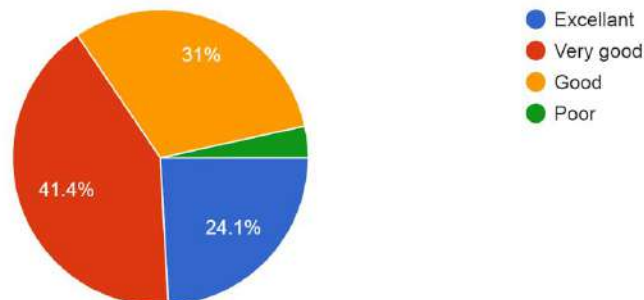

29 responses

It shows inclusion of current development in the curriculum and catering to future needs. 69% of the respondents agree with the statement that inclusion of current development in the curriculum and catering to future needs, 17.2% strongly agree with the statement.

5. Outcomes that your ward has achieved from the Curriculum

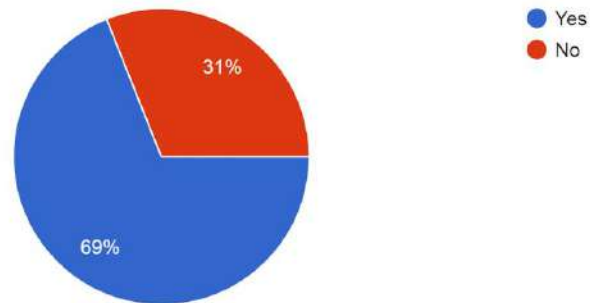

29 responses

It denotes the outcome archived by the student from the curriculum. About 41.4 % of the respondents saw very good change from the student, 31 % of the respondents saw good change from the student and 24.1 % of the respondents saw excellent change from the student.

6. Employability of the Curriculum

29 responses

It shows that 69% of the respondents says that curriculum provide employability and 31% respondents that curriculum doesn't provide employability.

Action Taken Parents feed Back Report 2023- 2024(ODD)

Based on the feedback given by the parents it was decided that the college infrastructure would be improved and more facilities like name boards, sign boards and more restrooms would be provided. The laboratories were made more spacious and well ventilated. Students were provided more opportunities for sports and students were taken out for several competitions outside the district also. The Good Samaritan scheme was used to help the financially poor students to pay off their semester fee.

SYLLABUS FEEDBACK BY PARENTS (2023 -2024) Odd

ACTION TAKEN REPORT

In the academic year 2023-2024 (Odd), we collected the feedback forms from the parents. From the forms we came to know that all the parents were satisfied with all the activities held in the college. The parents suggested to increasing the availability of reference books related to more competitive exams and bus facilities in the college. Then the parents also told to conduct number of placement program in the college. The parents also requested the teachers to contact and inform them about their words whenever necessary. The teachers accepted their suggestions.

Parent's feedback form on designing and review of Syllabus

Occupation

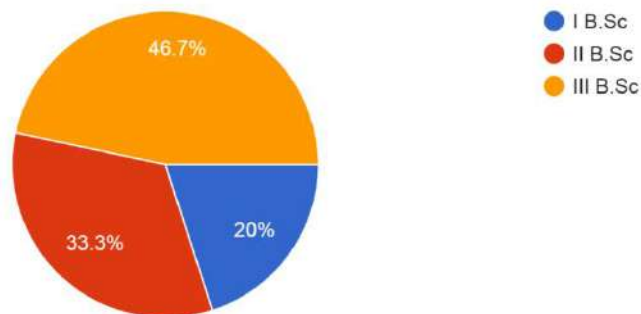

45 responses

In the department of Physical Education there were 45 responses and in the occupation of the parents 73.3% belongs to other category and 13.3% parents to teaching profession

Class

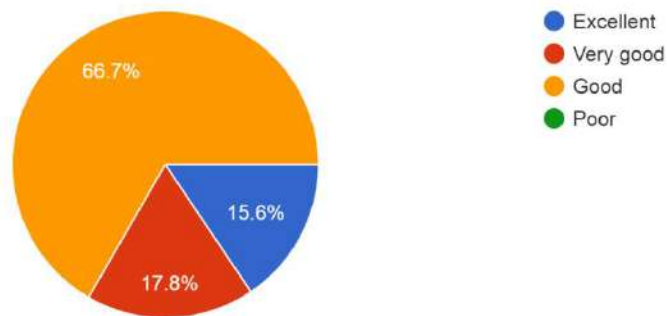

45 responses

In the above chart 20% students from I B.Sc Physical Education, 33.3% II B.Sc Physical Education and 46.7% III B.Sc Physical Education students.

The quality and relevance of the courses included in the Curriculum

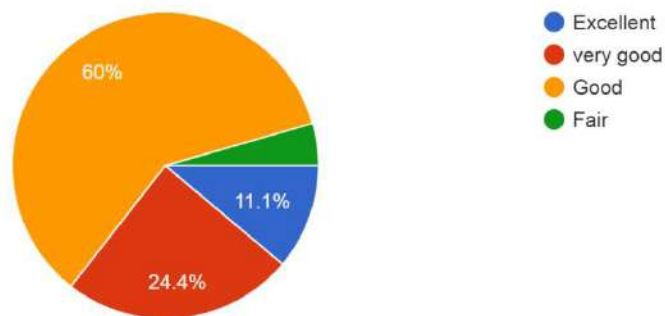

45 responses

In the above chart 66.7% parents agree that quality and relevance of the courses is included in the curriculum. 15.6% parents feel that the quality and relevance of the courses is included in the curriculum is excellent. 17.8% parents feel that quality and relevance of the courses is included in the curriculum is very good.

The quality of the subject matter in the Curriculum

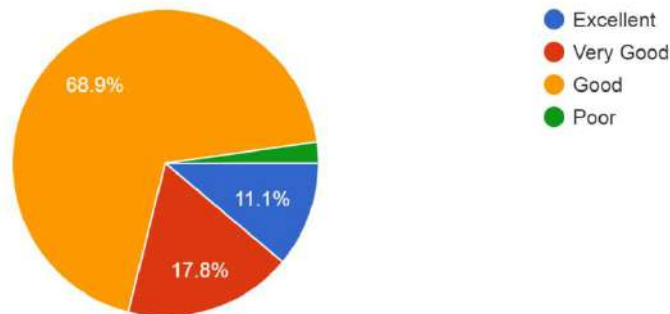

45 responses

From the above chart 60% of the parents feel that the quality of the subject matter in the curriculum is good. 24.4% of the parents agree that the quality of the subject matter in the curriculum is very good. 11.6% parents feel that the quality quality of the subject matter in the curriculum is excellent.

Availability of choices [electives] under choice based credit system

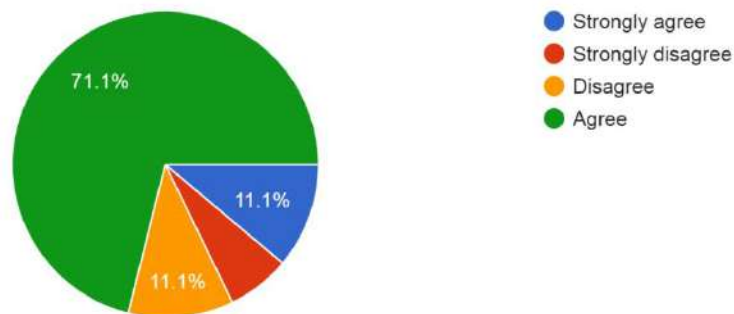

45 responses

In the above chart 68.9% parents feel that availability of choices under choice based credit system is good. Only 11.1% parents feel that availability of choices under choice based credit system is excellent. 17.8% parents agree that availability of choices under choice based credit system is good.

Inclusion of current development in the curriculum and catering to future needs

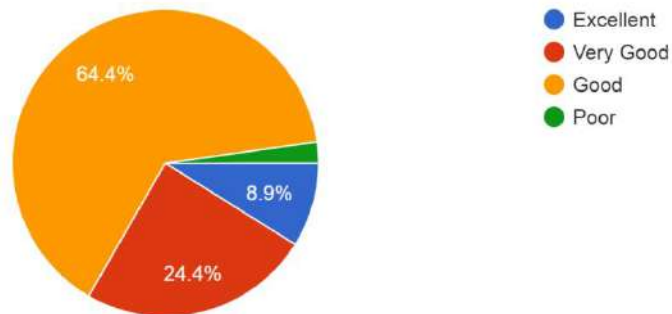

45 responses

In the above chart 71.1% parents agree that inclusion of current development in the curriculum and catering to future needs. 11.1% parents strongly agree that inclusion of current development in the curriculum and catering to future needs. Only 11.1% parents disagree the inclusion of current development in the curriculum and catering to future needs

Outcomes that your ward has achieved from the Curriculum

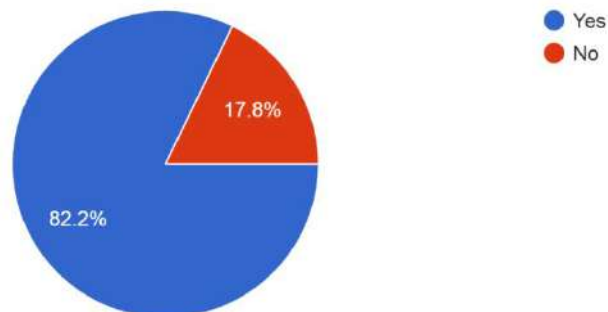

45 responses

In the above chart 64.4% parents feel that outcomes of their ward has achieved from the curriculum. Only 8.9% feel that the outcomes of their ward has achieved from the curriculum. 24.4% parents agree that outcomes of their ward has achieved from the curriculum.

.Employability of the Curriculum

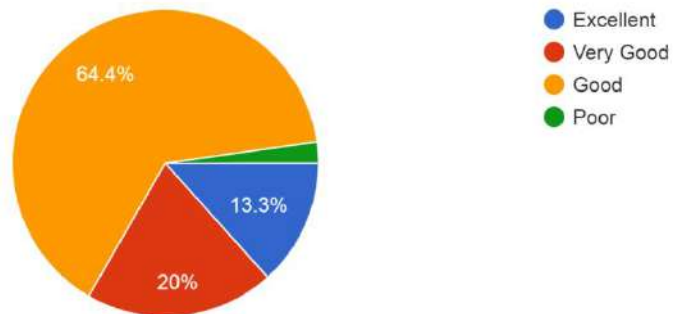

45 responses

From the above chart 82.2% parents agree that there is employability from the curriculum. Only 17.8% parents disagree the employability from the curriculum.

Transformation of your ward after the completion of the Programme

45 responses

From the above chart 64.4% of parents feel that there is good transformation of their ward after the completion of the programme. Only 13.3% of parents feel that there is excellent transformation of their ward after the completion of the programme. 20% of the parents feel there is very good transformation of their ward after the completion of the programme.

Department of Commerce

Action Taken Parents feed Back Report 2023- 2024(ODD)

Based on the feedback given by the parents it was decided that the college infrastructure would be improved and more facilities like name boards, sign boards and more restrooms would be provided. The laboratories were made more spacious and well ventilated. Students were provided more opportunities for sports and students were taken out for several competitions outside the district also. The Good Samaritan scheme was used to help the financially poor students to pay off their semester fee.

Parent Feedback form

For designing and review of syllabus

The department of Commerce collected feedback from through Google form to parents about designing and review of syllabus and set of the following questions they are:

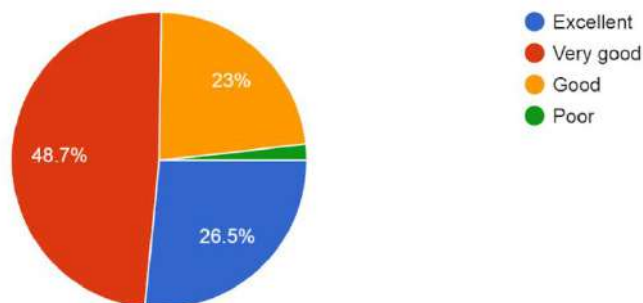

- ❖ The quality and relevance of the courses included in the Curriculum
- ❖ The quality of the subject matter in the Curriculum
- ❖ Availability of choices [electives] under choice based credit system
- ❖ Inclusion of current development in the curriculum and catering to future needs
- ❖ Outcomes that your ward has achieved from the Curriculum
- ❖ Employability of the Curriculum
- ❖ Transformation of your ward after the completion of the Programme

Occupation
113 responses

The above chart shows that 79.6% of the respondents are other type of employees, 13.3 % are of the respondents are Self employment, 7.1% of the respondents do business.

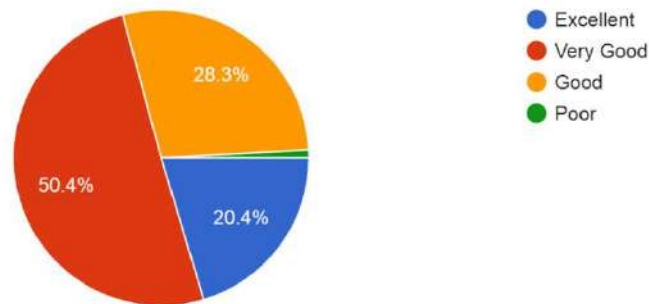

The quality and relevance of the courses included in the Curriculum
113 responses

The above chart shows that 48.7% of the respondents agreed that syllabus have good quality and the syllabus is relevant to the courses, 26.5% of the respondents say that the syllabus is excellent and it is very relevant to the course and 23% of the respondents have very good appreciation about the syllabus.

The quality of the subject matter in the Curriculum

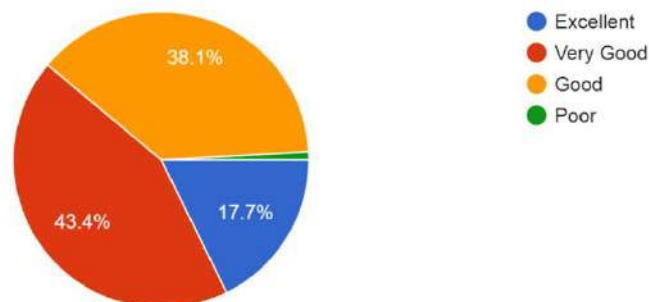

113 responses

It shows that quality of the subject matter in the Curriculum. About 50.4% of the respondents is very good with the quality of the subject matter in the Curriculum, 28.3% of the respondents is good with the quality of the subject matter in the Curriculum and 20.4% of the respondents is excellent with the quality of the subject matter in the Curriculum and less than 1% of the respondents is poor with the quality of the subject matter in the curriculum.

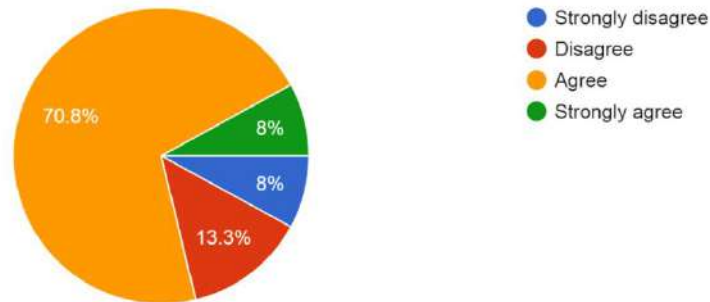

Availability of choices [electives] under choice based credit system

113 responses

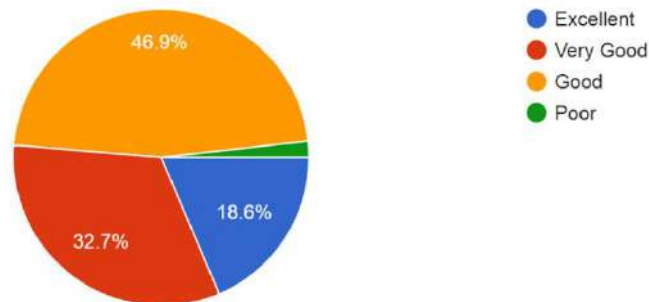

The above chart shows that 43.4% of the respondents agreed that availability of choices or electives under choice based credit system is very good, 38.1% says that availability of choices or electives under choice based credit system is good, 17.7% that availability of choices or electives under choice based credit system is excellent and less than 1% that availability of choices or electives under choice based credit system is poor.

Inclusion of current development in the curriculum and catering to future needs
113 responses

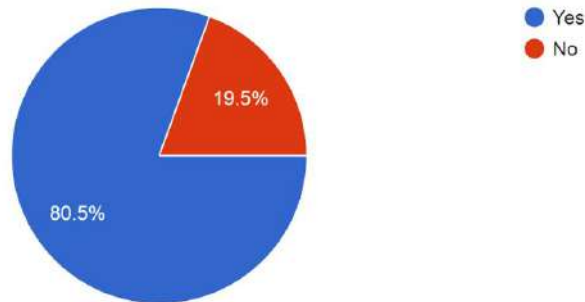

The above chart shows that inclusion of current development in the curriculum and catering to future needs. From it 70.8% of the respondents agree to the statement that inclusion of current development in the curriculum and catering to future needs, 13.3% disagree with the statement, 8% Strongly agree to the statement that that inclusion of current development in the curriculum and catering to future needs and 8% Strongly disagree to the statement that that inclusion of current development in the curriculum and catering to future needs.

Outcomes that your ward has achieved from the Curriculum
113 responses

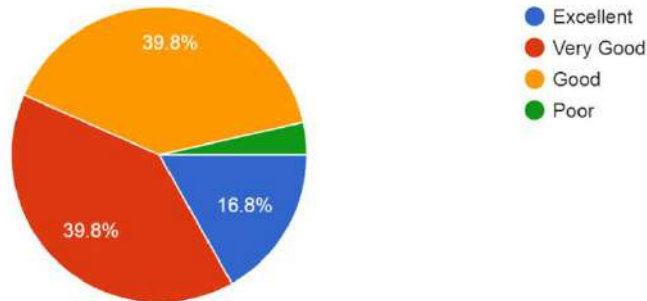

It denotes that outcome archived by the student from the curriculum. About 46.9% of the respondents saw good change from the student, 32.7% of the respondents saw very good change from the student and 18.6% of the respondents saw excellent change from the student.

Employability of the Curriculum
113 responses

The above chart shows that 80.6% of the respondents says that curriculum provide employability and 19.5% respondents that curriculum doesn't provide employability

Transformation of your ward after the completion of the Programme
113 responses

It shows that transformation of the ward after the completion of the programme. About 39.8% of the respondents says that their ward have good change after the completion of the programme, 39.8% of the respondents says that their ward have very good change after the completion of the programme and 16.8% of the respondents says that their ward have excellent change after the completion of the programme.

**NANJIL CATHOLIC COLLEGE OF ARTS AND SCIENCE,
KALIYAKKAVILAI
DEPARTMENT OF SOCIAL WORK
ACTION TAKEN REPORT BASED ON PARENTS FEEDBACK
ODD SEM (2023-2024)**

Parents are satisfied with the updated curriculum and keen on securing a job right after finishing their studies. The department held a meeting and agreed to plan additional events to provide opportunities for improving their leadership abilities. The department holds both one-on-one meetings and group meetings on a weekly basis to understand the boundaries of their education. Preparing students for competitive exams is a straightforward task. Furthermore, the department offers additional skill-based programs. It creates pathways for job prospects.

**NANJIL CATHOLIC COLLEGE OF ARTS AND SCIENCE,
KALIKYAVILAI**

**DEPARTMENT OF SOCIAL WORK
ACTION TAKEN REPORT BASED ON
PARENTS FEEDBACK (2023-2024)**

Parents satisfied with the new syllabus and they desired to get placement soon after the completion of their course. The department conducted meeting and decided to organise more programmes and give opportunities to develop their leadership skills. The department conducts individual conference and group conference every week in order to know the limitations of their learning. It is easy to prepare the students to attend competitive examination. In addition to that the department conducts more skill-based programme. It paves the way to get employment opportunities.

S. Mary Perisil
