Drug Awareness Program

The anti-drug committee and NSS unit of Nanjil Catholic College has organized an awareness programme on 11th August 2023 at 1.30 pm. in the college seminar hall. 95 students were participated in the meeting.

The meeting was chaired by Rev. Fr .Dr. M. Eckermens Michael. He felicitates the gathering. In his felicitation, he point out the harmful effects of drug addiction. That is , brain, heart and lung problems, stroke, and damage to the liver and kidneys and much more . So he asked the students to avoid such habit.

Our College principal Dr. M. Amalanathan addressed about the consequences of drug addiction such as destructive to individuals, families, and entire communities. It eats away at a person's health, behavior, and family life, goals, and hope for the future. He asked the students , be aware and help others to avoid such habit. He mentioned about the steps taken by the college management to create a drug free camps .

Then the key note address was addressed by Dr. SREEJA J. P (Assistant Professor, Department of Economics Sree DeviKumari Women's College Kuzhithurai) explained the behavioral problems of drug addiction . She mentioned that the behavioral problems caused by drug addiction are even more apparent than the health problems. If the person is working or attending school, the drugs will affect his performance, ultimately leading to him skipping out of work or school. The person may also have frequent mood swings and a short temper, while at other times, appearing anxious or depressed. She asked the students to keep away from such habit and help people take hold of their recovery. In the end of meeting students took pledge against drug abuse.

The meeting was adjourned at 2.30 pm with National Anthem.

REPORT ON DRUG AWARENESS

The Drug Awareness Club of Nanjil Catholic College of Arts and Science has organized an awareness programme on 17-10-2023 for all the boys and girls of the college, in both postgraduate and undergraduate streams, from 10:15 am to 01:45 pm, in the college auditorium. Both the boys and girls were given separate sessions, with the same dignitaries.

The session began with a prayer song by our college choir, followed by the welcome address by Prof. K.C. Abilash Sam Poulstin, the convener of the drug awareness club. Then came the college secretary Rev. Fr. Dr. M. Eckermens Michael, with an inaugural address, to address the gathering. He gave a brief introduction about the chief guest

Rev. Fr. Dr Francis Xavier Nelson, Director, Thiruppumunai Addiction Treatment Ministry, R. C Diocese of Kottar, Nagercoil, Sister. Dr Basil Rose, Former Principal of Holy Cross College, Nagercoil, Mrs. Sukumari Amma, Student Counselor, Mr. Antony Deli, Retired sailor and writer, Mr. Robert Sahayem, Businessman.

All five dignitaries spoke about addiction in common, particularly cool lip, liquor, Smoking, Khanja and mobile addiction. They used PowerPoint with photo and video aid, to educate the students. Rev. Fr. Dr Francis Xavier Nelson topped the session as he has spoken to more than five thousand drug addicts, in his entire lifetime. He spoke about the importance of life and family and its ruin due to drugs.

Sister. Dr Basil Rose spoke about brain functions and their imbalance due to drug addiction. Her presentation was impeccable. She showed the picture of a brain, taken by multiple researchers compared to the addicted and non-addicted. Mrs Sukumari Amma, the Student Counselor entertained the students with an ice breaker and shared her thoughts on drug addiction. She stated, “The Western countries try and impart software updates in mobile phones and letting the Indian students make use of it and therefore ruining their life”.

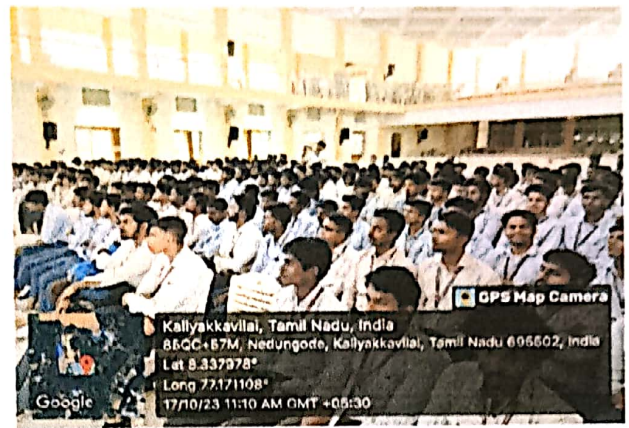

Then came Mr Antony Deli, a Retired sailor and writer a real drug addict with his distinctive experience in life. He stated that he was forced to drink alcohol by his friends, rather than voluntarily. Though it was a forced one, it was difficult for him to get rid of his drug addiction. His experience gave a special insight into drug addiction. Girls in both UG and PG were targeted with mobile and social media addiction. Sister. Dr Basil Rose stressed the importance of mobile and social media and how to get rid of it. Students took active participation and appreciated all the five dignitaries of Thiruppumunai Addiction Treatment Ministry, R. C Diocese of Kottar, Nagercoil, by giving sensible feedback. The programme was concluded by Dr G. Rajesh Babu, a Member of the Drug Awareness Club, with a vote of thanks and then by the national anthem.
