Organised

SCIENCE EXHIBITION PROGRAM

On “Inspiring Minds in Physics”

on 3rd February, 2023

SCIENCE EXHIBITION REPORT

In order to encourage and motivate the students to create interest in the area of science experiments, every year department of physics organized Science Exhibition program. During the academic year 2022-2023, physics department of Nanjil Catholic College of Arts and Science, Kaliyakkavilai organized Science Exhibition program “Inspiring Minds in Physics” on 3rd February, 2023 at I B.Sc physics class room. The secretary Rev. Fr .Dr. M. Eckermens Michael of our institution was our chief guest on this peculiar day. This science exhibition was named “Inspiring Minds in Physics”.

The program started with prayer at 9:00 am. The principal, the secretary and all faculty members were present at the exhibition. Students from every class participated in the event and the exhibition was open to students from other department as well. Students presented different types of models which were related to different branches of science like

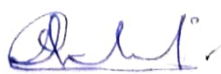

Fire alarm, Electricity from wind energy, Automatic night home light, Continuity tester, Conductivity checker, Fault detector, Automatic street light, AC wireless tester, Wireless electricity transmission, 3D Hologram, Simple Timer circuit, Pollution catcher, Full wave Bridge rectifier, PIR sensor, Laser security alarm, Darkness detector, Newton's Disc etc.

Honorable NAAC peer team members along with the Principal Sir surveyed the entire exhibition and also took details from the Respective Students about each of their models. Simultaneously, the people at the exhibition also thoroughly enjoyed the event. After that our NAAC peer team member Dr. Kiran Reddy gave a motivational speech on how technology made things more efficient and also told us that there are unlimited opportunities in the field of science. In the end, the head of the department of physics also gave a speech and thanked everyone for participating in this science exhibition event.
