Eco Club

International year of Millet 2023

Eco Club was organized a programme on International Year of Millet 2023 on 16-03-2023 venued at seminar Hall. The programme was inaugurated by our principal, Dr. Meenakshi Sundararajan. Millets flew under the radar with the presence of more popular cereals, like rice and wheat. It was only recently that health and fitness enthusiasts from across the world understood its potential. The health benefits that the humble food grain offers are truly unique. To create awareness and explain the benefits of Millets to the students to conducted many events like food contest, essay writing, poem writing. From various department the students were participated to this event .The winners were selected by Dr. Amalanadhan and Dr. Thankam. Through this programme the students were understood the healthy benefits, of millets our bodies by strengthening our immunity, keeping diseases in check, and aiding weight loss. Finally the programme was concluded with prize distribution by the principal to the winners.
