#### Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>Curriculum Aspects:</p> <p>Curriculum is the essential ingredient of any education system regardless of the education level. All other aspects whether teaching, learning and evaluation or research and development, infrastructure and learning resources, student activities and support system revolve around it. Therefore, curricular aspects and the best practices connected to curriculum design and development play a very significant dimension of the quality of higher education since the curriculum has a decisive role in steering the other elements of quality.</p> <p>The institution ensure effective curriculum delivery through a well planned and documented process:</p> <p>All the programmes taught in the college are affiliated to Manonmaniam Sundaranar University, Tirunelveli and hence, all departments are required to implement the syllabus prescribed by the Manonmaniam Sundaranar University, Tirunelveli .</p> <p>At the commencement of the academic year the academic calendar is prepared by the committee organized for the college purpose. At the beginning of the academic year the teachers prepare the teaching plan of their respective subjects. The teaching plan is verified by the head of the department. There is sufficient flexibility in the teaching plan, so as to adopt the changes if any. The evaluation of the students is carried out periodically as per the norms of the university.</p> <p>The college ensures effective curriculum delivery through its consistent efforts; the college undertakes to prepare the academic calendar at the commencement of the academic year. The teachers prepare their individual academic and teaching plan which is included in the academic calendar. The college teachers follow the teaching plan in the schedule of their working hours. The syllabus is already divided in the number of hours in which each teacher is supposed to engage. The periodic tutorial/class test /examination are conducted in order to assess the undertaking of the students. The examination results are reviewed and the weaker students are taught again and also sometime consulted for their benefits. Teachers take best of their efforts to ensure quality and to enhance academic growth. The college teachers use PPT for elaborating principle concepts in the technique and discussion. Compliance of the curriculum is verified by the head of the department and the review is taken. The compliance of the curriculum is communicated to the principal through the head of the department and at the end of term or year the performance of the students is verified by examination and their feedback. Theoretical &amp; oral examination are conducted to judge the understanding of the students. The university has changed the pattern of examination it is now both objective as well as subjective. The examination pattern is strictly followed by the college. The transparency in examination is followed by the college. The curriculum compliance is integral to responsibilities of the staff which is completely achieved by the college. Action taken report is prepared by concerned committees and reviewed in college meetings for timely action taken and for further development of the college.</p>
