

**NANJIL CATHOLIC COLLEGE OF ARTS & SCIENCE,
KALIYAKKAVILAI**

Brief report of the facilities provided

1. CLEAN & GREEN CAMPUS

Tree plantation, awareness programme and waste management practices were followed by the institution. College maintains a lawn.

2. PAPERLESS OFFICE

The college works on paperless concept by giving information through e-mail and WhatsApp Groups as much as possible. Wi-Fi facility is also provided. Re-use of one-sided paper for rough work and rough printouts with the aim of reducing the use of papers.

3. NO SMOKING CAMPUS

To make our college completely smoke and tobacco free, smoking and chewing of tobacco is strictly prohibited.

4. PEDESTRIAN FRIENDLY ROAD

All around the campus interlocked tiles paved pedestrian friendly roads for smooth commuting of students, faculty and other staff members. These roads are maintained on regular basis for keeping them free of mud, dust and shrubbery growth.

5. EFFLUENT TREATMENT PLANT

Waste water is treated in the ETP installed in the campus and then it is released to the environment. Through the treatment of wastewater, the amount of waste that is usually released into the environment is reduced. By doing so, it reduces the water pollution and prevents disease.

6. USE OF LED

For energy saving, lightings of class rooms, labs and Auditorium are partially replaced with LED lights. Totally 188 LED lights were installed.

7. RAIN WATER HARVESTING

In our campus a rain water harvesting system is made. Three rain water harvesting pit was installed in our campus. The runoff from the terrace of the college

building is channelized into a rain water harvesting pit. The runoff from the unpaved area is intercepted in a pit, which facilitates groundwater recharge.

8. SOLAR PANNEL

The energy generated from the sun for the use of electricity through the solar pannel. It offers many benefits like Renewable, Non polluting and avoids global warming. Solar PV power plant with 5KVA capacity had been installed in the roof top .
