Department of Mathematics

Exhibition Report (2018-19)

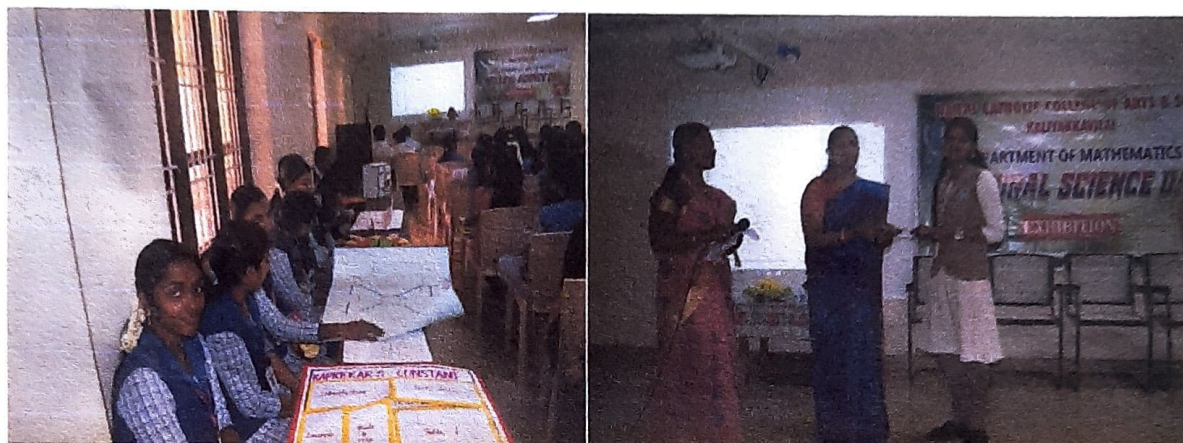

Department of Mathematics organized its mathematics-exhibition on the national science day 28-02-2019 at the college seminar hall. Dr. S.Asha, Assistant Professor, Department of Mathematics, NMCC, Marthandam was the resource person on that day. Sixty seven of our department students exhibited their creations using mathematics in this exhibition-competition.

The program started by 10:00am with the prayer song. B.I. Blessing, I B.Sc mathematics welcomed the gathering. Rev. Fr. Eckermens Michael, Secretary of our college presided over the function. Our Principal, Dr. A. Meenakshisundararajan felicitated the gathering.

After this, our resource person has explained beauty of Mathematics. All students are impressed throughout this session. After this, competition of

exhibition was held. Prize winners were selected by our resource person. Prizes and certificates distributed by our chief guest and then we concluded the session at 12:15 pm by the vote of thanks by our student Arya, II M.Sc(Mathematics).

Technical Computer Exhibition

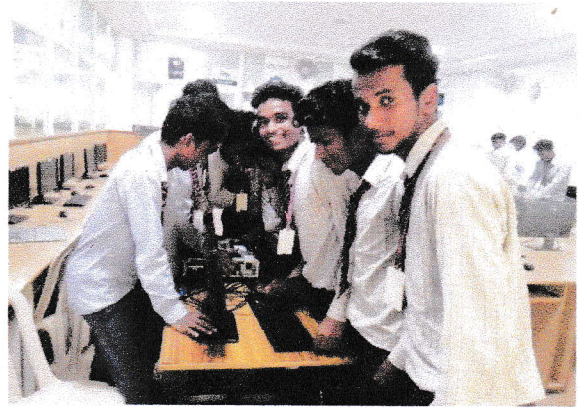

ExpoCSe'19

14-Mar-2019

A technical computer exhibition **ExpoCSe'19** was organized by the Department of Computer Science of Nanjil Catholic College of Arts and Science on 14th Mar, 2019 in the II B.Sc. Computer Science classroom.

The exhibition was inaugurated by the Secretary Rev. Fr. M. Eckermens Michael in the presence of the Principal Dr. A. Meenakshisundararajan, the HOD Mr. K. C. Abhilash Sam Paulstin and the exhibition coordinator Mrs. Reena Catherine V., Asst. Prof. in Computer Science.

Four hundred and sixty four students got benefited from this exhibition. The overall feedback from the participants was commendable.

Report of Pi Day Celebrations –Exhibition (2021-2022)

Department of Mathematics organized the pi day celebrations on 14/03/2022 at 11:00 am at college seminar hall. Dr. A. Meenakshi Sundararajan, Principal, Nanjil Catholic College of Arts and Science, Kaliyakkavilai was the resource person of the day.

After the prayer song of our department choir, Steni R, III B.Sc Mathematics welcomed the gathering. Our college secretary, Rev. Fr. Eckermenns Michael presided over the function. In his address, he motivated the students to develop their innovative ideas through this type of competitions. Also he motivated mathematics students to get more results and placements after completing degrees. Dr. A. Meenakshi sundararajan, Principal of our college gave a key note address

related to pi day. In his address, he noticed recently achievers in mathematics and motivate the students to exhibit innovative ideas through some programmes.

After this, department exhibition is started. In this programme, totally 65 students were participated. Our principal Dr. A. Meenakshi sundararajan visit the exhibitions and judged them. Finally, he elected three winners. After this session, Principal distributed prizes for the winners and the programme came to an end at 3.00 pm.

SCIENCE EXHIBITION REPORT

On 10th March 2022, The Department of Physics organized a science exhibition program on our college premises on the occasion of National Science Day. The secretary Rev. Fr .Dr. M. Eckermens Michael of our institution was our chief guest on this peculiar day. This science exhibition was named “Exhibit Science”. The program started with prayer at 9:00 am. The principal, the secretary and all faculty members were present at the exhibition. Students from every class participated in the event and the exhibition was open to students from other department as well. Students presented different types of models which were related to different branches of science like water level indicator, Fire alarm, Earth quake indicator, Hydraulic break, motion sensor using lamp, telescopes, non contact voltage detector, wireless electricity, tesla coil, automatic hand sanitizer, sensor based street light, solar village, hologram, motor robot, molecular models, space satellites, DC motors, transformers, solar systems, etc. Our Honourable Chief Guest along with the Principal Sir surveyed the entire exhibition and also took details from the Respective Students about each of their models. Simultaneously, the people at the exhibition also thoroughly enjoyed the event. After that our chief guest gave a motivational speech on how technology made things more efficient and also told us that there are unlimited opportunities in the field of science. Along with this he also distributed prizes to those students who had made very good models and also explained their models well. In the end, the head of the department of physics also gave a speech and thanked everyone for participating in this science exhibition event.

Exhibition Report**

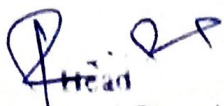

Date : 12.04.2022

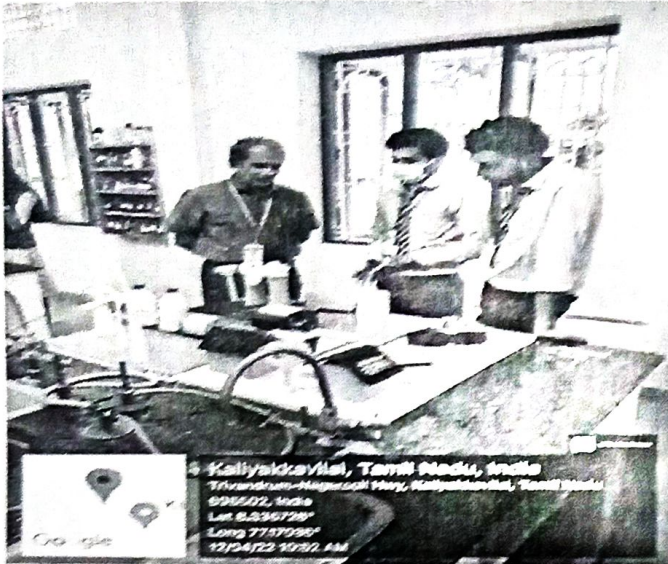

Venue : Chemistry Department

Time : 11 a.m

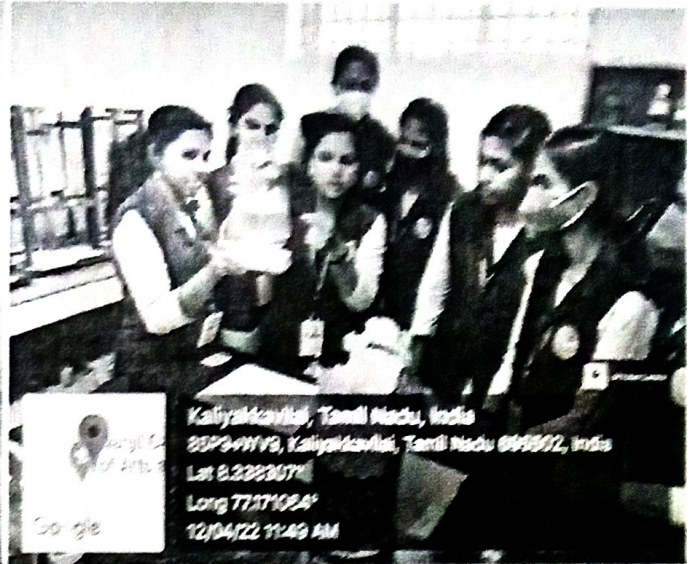

Our department of Chemistry organized a science exhibition on 12/04/ 2022 at 11 am in the chemistry lab. Chemistry Students showcased static and working models under the theme "Go Green" which can be used for learning various simple methods to prevent pollution in our environment. The objective was to inculcate a social attitude and research mindedness in young people. Welcome address was given by Athira S.A , II M.Sc Chemistry. The students from the science departments participated in the exhibition. All the PG students from the science departments visited the lab. Also, the secretary, the principal and the faculties of all the departments of our college visited the exhibition and appreciated the students. They asked the students about the scientific concepts forming the foundation of the models. Students were encouraged to develop a scientific passion and an attitude of research mindedness so that they develop the qualities of analytical and critical thinking. Prizes were distributed to the winners. Vote of thanks was given by Jeena Yohannan, III B.Sc Chemistry.

DEPARTMENT OF COMPUTER SCIENCE

Tech Expo'22

The Department of Computer Science organized "Tech Expo'22" Technical Exhibition on 5/5/2022, in the Computer Science Lab with the department students. Rev. Fr. Dr. M. Eckermens Michael, Secretary & Correspondent, NACCAS and Dr. A. Meenakshisundararajan, Principal, NACCAS were the chief guest of the day. The programme started with Ribbon cutting at 10.00 am. The students from all UG and PG classes of the department actively participated in the exhibition. They presented various interesting items which were related to computer Hardware and Software like processor models, E-waste arts, Driving drowsiness identification, Playing song based on Face Emotion and Game making using programming languages, etc., Our Honorable Chief Guests along with the Head of the Department visited the entire exhibition and gathered details from the respective students about each of their models. The exhibition was open to all the II UG Arts and Science students of our college and they gave positive feedback. In the end, the principal sir congratulated the department faculties and students.

Exhibition Report 2021- 2022

The faculties of our department trained the students to participate the events such as clay modelling and pencil sketch on 4-10-21 venued in the Zoology lab. The students was selected by their performances and final list was analysed. For clay modelling 2 students Nandhana and Ashmiya were selected to participate in the competition held in the department of English.
