LAB VISIT BY SCHOOL STUDENTS

Department of Chemistry

DATE : 04.02.2019

VENUE : B.Sc Lab

Our department of Chemistry arranged for a lab visit for the 12th standard students of Government Higher Secondary School, Pazhugal on 04.02.2019. 38 students and 3 faculty members from the school reached at 10.00 a.m. The programme was started by our HOD, Dr. Murali. Ms. S Shirley Navis and Ms. L.Lisy of our department of Chemistry trained the students in Volumetric Analysis. They had a tea break at 11.00 a.m. The students were also trained in Qualitative analysis by our staff members. The students enjoyed the training very much. The programme was finished at 12.00 noon.

Lab Visit by School students

Date: 12.03.2022 – 24.03.2022

Time : 09.00 a.m – 04.00 p.m

Venue: Chemistry UG Lab

Our college organized a lab visiting programme for school students of XII standard. Students from various Government and Aided schools visited our lab. From March 12, 2022, the students with their teachers came. They were brought to our college by our college bus. The students were divided into 3 groups. They were taught salt analysis and volumetric titrations by our Chemistry department teachers. After the class, they had leisure time and juice and biscuits were given to them. The lab visit was completed on 24.03.2022.
