Department of Physics

Field Work Report

As a part of the curriculum the department of physics assigned the Field work for each student of I year M.Sc. students. During the academic year from 2017-2018 to 2021-2022, 132 students of the department had visited various field related to Physics. Each staff member is assigned as the in charge for each group of the M.Sc. Students. The field to be visited was finalised after the discussion between the students and the concern staff. They are motivated to complete their work within the stipulated time under the guidance of the assigned staff and are asked to submit the report to the department for the viva voce. The skill of understanding the field is examined in the viva voce examination and is evaluated by the external examiner.
