Department of Physics

Project Report

As a part of the curriculum the department of physics assigned the project for each student of final year M.Sc. and the M.Phil. scholars. During the academic year from 2017-2018 to 2021-2022, 131 students of the department had done their projects on various topic in the field of Physics. Each staff member is assigned as the guide for each group of the M.Sc. Students and for each M.Phil. scholars. The topics are finalised after the discussion between the students and guide. They are motivated to complete their work within the stipulated time under the guidance of the supervisor. The completed work is framed to a thesis and it is submitted to the department for the viva voce. The skill of understanding the project is examined in the viva voce examination and is evaluated by the external examiner.
