Technical Computer Exhibition

ExpoCSe'19

14-Mar-2019

A technical computer exhibition **ExpoCSe'19** was organized by the Department of Computer Science of Nanjil Catholic College of Arts and Science on 14th Mar, 2019 in the II B.Sc. Computer Science classroom.

The exhibition was inaugurated by the Secretary Rev. Fr. M. Eckermens Michael in the presence of the Principal Dr. A. Meenakshisundararajan, the HOD Mr. K. C. Abhilash Sam Paulstin and the exhibition coordinator Mrs. Reena Catherine V., Asst. Prof. in Computer Science.

Apart from a variety of computer devices and parts, working and non-working models created by our students were also exhibited.

Meantime in the PG and research labs, our students demonstrated the parts of computers and how to assemble them. All the second year UG students of our college participated in the exhibition which added a deeper insight to the subject “Computers for Digital Era”.

Four hundred and sixty four students got benefited from this exhibition. The overall feedback from the participants was commendable.

Science Exhibition (SUS CHEM EXPLORA)

Date : 12.04.2022
Time : 12.30 p.m
Venue : UG Lab

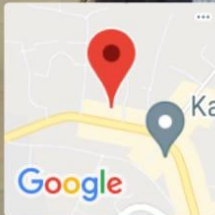

Science Exhibition was organized in our department on 12th April 2022. Totally 110 students participated in exhibition in groups and 32 models/experiments were put on display by students. Chemistry Students showcased static and working models under the theme "Go Green" which can be used for learning various simple methods to prevent pollution in our environment. The objective was to inculcate a social attitude and research mindedness in young people. Science Exhibition was started at 10.30 a.m. Exhibition was inaugurated by Dr. A. Meenakshisundararajan, Principal of our college. He interacted with the entire student different chemistry experiments, models, pollution awareness were displayed. First three winners were selected and prizes were distributed to them.

Tech Expo'22

The Department of Computer Science organized “Tech Expo'22” Technical Exhibition on 5/5/2022, in the Computer Science Lab with the department students. Rev. Fr. Dr. M. Eckermens Michael, Secretary & Correspondent, NACCAS and Dr. A. Meenakshisundararajan, Principal, NACCAS were the chief guest of the day. The programme started with Ribbon cutting at 10.00 am. The students from all UG and PG classes of the department actively participated in the exhibition. They presented various interesting items which were related to computer Hardware and Software like processor models, E-waste arts, Driving drowsiness identification, Playing song based on Face Emotion and Game making using programming languages, etc., Our Honorable Chief Guests along with the Head of the Department visited the entire exhibition and gathered details from the respective students about each of their models. The exhibition was open to all the II UG Arts and Science students of our college and they gave positive feedback. In the end, the principal sir congratulated the department faculties and students.

Respected Sir,

(Subject : To get permission to conduct exhibition - req)

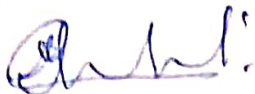

We planned to conduct science exhibition
on 10/03/2022 (Thursday) at UG physics lab.

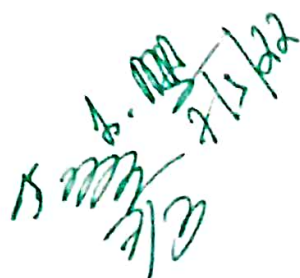

Kindly permit us to proceed further.

Thanking You!

07/03/2022

Kaliyakkavilai.

Your's faithfully,

S. Murugavel

SCIENCE EXHIBITION REPORT

On 10th March 2022, The Department of Physics organized a science exhibition program on our college premises on the occasion of National Science Day. The secretary Rev. Fr .Dr. M. Eckermens Michael of our institution was our chief guest on this peculiar day. This science exhibition was named “Exhibit Science”. The program started with prayer at 9:00 am. The principal, the secretary and all faculty members were present at the exhibition. Students from every class participated in the event and the exhibition was open to students from other department as well. Students presented different types of models which were related to different branches of science like water level indicator, Fire alarm, Earth quake indicator, Hydraulic break, motion sensor using lamp, telescopes, non contact voltage detector, wireless electricity, tesla coil, automatic hand sanitizer, sensor based street light, solar village, hologram, motor robot, molecular models, space satellites, DC motors, transformers, solar systems, etc. Our Honourable Chief Guest along with the Principal Sir surveyed the entire exhibition and also took details from the Respective Students about each of their models. Simultaneously, the people at the exhibition also thoroughly enjoyed the event. After that our chief guest gave a motivational speech on how technology made things more efficient and also told us that there are unlimited opportunities in the field of science. Along with this he also distributed prizes to those students who had made very good models and also explained their models well. In the end, the head of the department of physics also gave a speech and thanked everyone for participating in this science exhibition event.
