# English Club Report

Date: 13/7/2017

English being an international language, is an important discipline of curriculum. Spoken English club is an initiative taken by the institution to improve the communication skills of the students and make them get rid of the fear about English language.

The club aims at boosting up the students' thirst for English language, which can be learned with fun and various activities.

The spoken English club meetings are held twice in a semester and the sessions are held once in every month. Various activities are given to students to improve the skills of listening, speaking, reading, writing and vocabulary development.

This club encourages the students to communicate in English. It also encourages the students to develop interest in reading books, newspapers etc. Some activities were given to the students to develop their communication skill.

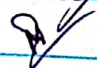

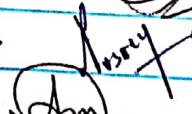

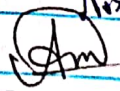

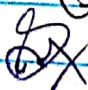

## RESOLUTION:

- A word a day scheme was introduced and everyday a new word was written on the board with its meaning and phonetic transcription
- Thought for a week was also introduced and written on the board.
