### **Syllabus for bridge course (2019-2022)**

#### Unit-I

Sets-Relations-Equivalence relations-functions-Types of functions-injective, surjective and bijective functions- composition of functions.

#### Unit-II

Properties of differential calculus- behavior of odd and even functions-Properties of integral calculus-beta and gamma functions.

#### Unit-III

Theory of equations- Degree of an equation- Nature of roots- Factors of a polynomial- Relations between the roots and coefficients of equations.

#### Unit-IV

Relation connecting circulant functions and trigonometry functions- gradient, divergence, curl of vector valued functions.

#### Unit-V

Statistics-Mean, mode, median, S.D, variance of discrete and continuous random variables- Probability distributive functions.

Feed Back Analysis for Bridge Course (2019-2020)

Nanjil Catholic College of arts and science, Kaliyakkavilai organized bridge course for freshers of department of mathematics for the year 2019-2020. Department of Mathematics framed an effective syllabus of this course of five days duration from 10-06-2019 to 15-06-2019. At the end of this course, students gave a wonderful feedback about this course. Eighty percentage of our students feel that the information about profile of the college is excellent. Above ninety percentage of our students feel that the course was clear and sufficient to provide an understanding of the program. All of our students feel that coverage of the syllabus is excellent. Organization of the course and the emphasis on fundamentals are impressed the students very nicely. Also they expressed bridge course consists quality and useful syllabus. And they feel that the level of subject knowledge at the end of bridge course is far better than the level of subject knowledge at start of bridge course. Finally their overall rating of the bridge course is excellent.

Answer ALL the questions

1. If  $A = \{a, b, c\}$  and if  $B = \{1, 2, 3\}$  then  $A \times B$  is -----
2. An example of an equivalence relation is-----
3. A function  $f: A \rightarrow B$  is said to be one-one if distinct elements in  $A$  have ----- elements in  $B$ .
4. A function  $f: A \rightarrow B$  is said to be bijection if it is both -----
5. If  $f(x) = \sin x$  and  $g(x) = x^2$  then  $f \circ g$  is -----
6. A function  $f$  is said to be even if-----
7.  $\frac{d}{dx}(\cot x) =$  -----
8.  $\int \cot x dx =$  -----
9.  $\beta(m, n) =$  -----
10.  $\sqrt[n]{n} =$  -----
11. Degree of a linear equation is -----
12. In the equation  $ax^2 + bx + c = 0$ , sum of two roots = -----
13. The equation with rational coefficients one of whose roots is  $\sqrt{5} + \sqrt{2}$  -----

14. Roots of an equation  $x^4 - 5x^3 + 4x^2 + 8x - 8 = 0$  given that one of the roots is

$1 - \sqrt{5}$  are ----

15. A rational cubic equation two of its roots are  $1, 3 - 2i$  is ----

16. The  $\Delta\phi$  of the scalar function  $\phi = x^2y^3z^2$  is -----

17. If  $\Delta \cdot \mathbf{V} = 0$ , then  $\mathbf{V}$  is said to be -----

18. If  $\Delta \times \mathbf{V} = \mathbf{0}$ , then  $\mathbf{V}$  is said to be -----

19. If  $\mathbf{A} = axy\mathbf{i} + (x^2 + 2yz)\mathbf{j} + y^2\mathbf{k}$  is irrotational, then the value of  $a$  is -----

20. The directional derivative of the function  $x^2 + y^2 + z^2$  at  $(3, 6, 9)$  in the direction

whose direction cosines are  $\frac{1}{3}, \frac{2}{3}, \frac{2}{3}$  is -----

21. The covariance of two independent random variables is ----

22. According to Karl Pearson the relation connecting mean, median and mode

is -----

23. The Poisson distributive function is -----

24. The probability of getting one head when tossing a coin three times is ----

25. The chance of drawing a queen from a pack of 52 cards is -----

SYLLABUS FOR THE BRIDGE COURSE

**Unit I: Electrical & Electronics Measurement**

Galvanometer – Ammeter – Voltmeter – Multimeter Analog & Digital  
– Cathode Ray Oscilloscope, Function Generator, DC & AC Power  
Supply

**Unit II: Introduction to Physics**

Displacement, velocity, acceleration, momentum, force – laws of  
motion - Newton's laws of motion

**Unit III: Properties of matter**

Elasticity, viscosity, surface tension - Osmosis

**Unit IV: Heat**

Laws of Thermodynamics – Isothermal – Isobaric – Isochoric –  
Isentropic processes – Conduction – convection – Radiation

**Unit v: Optics**

Reflection – Laws of Reflection – Refraction – Laws of Refraction –  
Refractive Index – Denser – Rarer Media – Total Internal Reflection,  
Dispersion, Rainbows – Interference – Diffraction - Polarization

**BRIDGECOURSE (2019-2020)**

The Department of Physics conducted the bridge course for the students of 2019-2020 batch for five days, from 10th June 2019 to 14<sup>th</sup> June 2019. Each day is divided into five sessions. The sessions were handled by the staff of the Physics and English departments. Basics in physics and UG level physics syllabus were taught in physics session. The laboratory instructions and how to handle the equipments in physics laboratory were given to the students. The basic knowledge in computer and maths were also given to the students. Group discussion and debate were also conducted. The students were learned and interacted with faculty about those subjects with much interest. Finally a test was conducted to check the outcome of student's knowledge in the bridge course.

a) adiabatic process

b) isothermal process

c) sublimation

14. Galvanometer can be converted into ammeter.....*low resistance in parallel.*

15. Galvanometer becomes voltmeter is a .....*high resistance in series.*

16. Multimeter is a .....*device which acts as galvanometer, voltmeter and ammeter.*

17. If  $G=10\text{n}$ ,  $I_g=1\text{mA}$ , the resistance to be connected in series to convert it into voltmeter of range  $0 - 10 \text{ V}$  is .....*10.0 V*

18. If  $G= 100 \text{ n}$ ,  $I_g= 1 \text{ mA}$ , the resistance to be connected across the galvanometer to convert into ammeter of range  $1 \text{ A}$  is.....*100*

19. Electromagnetic waves are produced due to

a) neutron

b) static charges

c) inert gas

d) accelerated charges

20. Direction of electric lines of forces

a) south pole to north pole

b) north pole to south pole

c) positive charge to negative to charge

d) negative charge to positive charge

Bridge course- Syllabus  
Academic Year 2019-2020

**Objective**

The bridge course aims to act as a buffer for the new entrants to provide adequate time for the transition to hardcore of chemistry subject. This gives them an opportunity to prepare themselves before the beginning of courses and the students will be equipped with the knowledge and the confidence needed to take on bigger challenges in future.

**Core course:**

**Unit I**

**Atomic structure:** Atom, molecule, compound, element, atomic number, mass number, atomic weight, molecular weight, isotopes, mole concept, chemical equations, redox reactions.  
**Chemical bonding:** Types of chemical bonds -ionic bonding, covalent bonding, hydrogen bonding, hybridization.

**Unit II**

**Periodic Table:** Electronic configuration, Periodic properties- Electron negativity, Ionization energy, Electron affinity, Electropositivity.

**Unit III**

**Solutions:** Concentration units, concept of acids and bases.

**Solid state:** Crystalline and amorphous solids

**Balancing the chemical Equations**

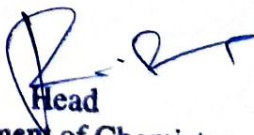

**Unit IV**

**Thermodynamics:** Laws of Thermodynamics, Thermodynamic properties- Internal energy, Enthalpy, Entropy, Free energy, Exothermic and Endothermic reactions

**Unit V**

**Organic Chemistry:** Functional groups, alkanes, alkenes, alkynes, alcohols etc.  
Type of reactions and mechanism.

**Practical:** Qualitative and Quantitative analysis

#### **Bridge Course Report (2019-2020)**

The bridge course was conducted for the students for the academic year 2019-2020 on 10-06-2019 to 14-06-2019. The classes were carried out by four sessions and among the four sessions, three sessions are Chemistry (Inorganic, Organic and Physical Chemistry) and one for English. The basic concepts of chemistry were taught by faculties from this department. In the last day of bridge course exams were conducted and the feedback was collected from the students.

BRIDGE COURSE 2019-2020

“Education is the most powerful weapon which you can use to change the world.”

The bridge course for the academic year 2019-2020 was conducted from 10<sup>th</sup> June 2019 to 15<sup>th</sup> June 2019. The session started with a welcome address given by Mr. K.C. Abhilash Sam Paulstin, Head Department of Computer Science following which there was the “Faculty Perspective”, where he continued to introduce the various teachers who are going to be handling the various subjects for the 47 fresh faces in the Computer Science department.

An introductory session was given by Mrs. V. Reena Catherine. Importance was given to give the basics of Computer Science so that the students from the Biology group can get a clear cut idea about the subject. Student friendly lab sessions were conducted in the UG lab as most of the students were using computers for the first time. Faculty members from the Department of Computer Science handled various sessions and they have successfully completed the bridge course before the commencement of the main course.

All the students gave a positive feedback on the bridge course and especially the lab sessions were highly appreciated.

The staff members were appreciated well by the management for their dedicated service.

  - c) netware
  - d) groupware
5. Personal computers are also called
  - a) micro computer
  - b) analog computer
  - c) mainframe computer
  - d) super computer
6. Control unit of computer is
  - a) general-purpose
  - b) special-purpose
  - c) multi-purpose
  - d) one-purpose
7. Minicomputer was first released in
  - a) 1960s
  - b) 1970s
  - c) 1980s
  - d) 1990s
8. Digital computers are called processing data because they work by
  - a) numbers
  - b) symbols
  - c) letters
  - d) processors
9. MRI, CT-scan, Ultrasound devices are examples of use of computer in
  - a) science
  - b) education
  - c) business
  - d) stock-exchange
10. Term 'program' is refers to any piece of
  - a) software
  - b) hardware
  - c) netware
  - d) groupware
11. Electronic device which processes data and convert it into information that is useful to people is called
  - a) computer
  - b) smart phone
  - c) calculator
  - d) printer
12. Notebook computers are also known as
  - a) super computers
  - b) laptop computers
  - c) mini computers
  - d) analog computers
13. Computers that can operate on alternating current or special batteries, are
  - a) hybrid computers
  - b) analog computers
  - c) notebook computers
  - d) berry computers
14. Power of binary system for positional values is
  - a) 2
  - b) 10
  - c) 8
  - d) 16
15. Cumulative addition of four bits ( 1 + 1 + 1 + 1 ) gives
  - a) 1111
  - b) 111
  - c) 100
  - d) 1001
16. Number system which contain 5 symbols 0, 1, 2, 3 and 4, is
  - a) binary system
  - b) decimal system
  - c) octal system
  - d) quinary system
17. Difference between binary coding and binary coded decimal is

- a) binary coding has a decimal format      b) BCD has no decimal format  
 c) binary coding is pure binary              d) BCD is pure binary
18. Number system which contain 8 different symbols 0, 1, 2, 3, 4, 5, 6, and 7, is  
 a) hexadecimal system                              b) binary system  
 c) octal system                                        d) quinary system
19. RAM stands for  
 a) Random Access Memory                        b) Read Access Memory  
 c) Read Arithmetic Memory                        d) Random Arithmetic Memory
20. Devices that accepts data from outside computer and transfer into CPU are called  
 a) input devices                                      b) digital devices  
 c) analogue devices                                 d) truth table peripherals
21. Central Processing Unit (CPU) consists of  
 a) control unit                                        b) arithmetic and logic unit  
 c) main store                                         d) all of above
22. Devices which are used to receive data from central processing unit are classified as  
 a) output/input devices                            b) digital devices  
 c) signaled devices                                 d) output devices
23. 'main store' of CPU is also called  
 a) main memory                                     b) temporary memory  
 c) immediate access store                        d) both A and C
24. Type of integrated circuit which consists of arithmetic unit, control unit and some main store is called a  
 a) mega processor                                 b) micro processor  
 c) micro computers                                d) mega computers
25. Visual display unit is an example of  
 a) output device                                     b) input/output devices  
 c) backup devices                                 d) mediums
26. Silicon piece with a system circuit on it is termed as  
 a) chip     b) circuit  
 c) logical gate                                        d) circuit network
27. Many tablet PCs have a built-in microphone and special software that accepts input from the  
 a) user's voice                                        b) user's finger print  
 c) user's foot print                                 d) keyboard
28. Binary files are sometimes referred as  
 a) data     b) information  
 c) instruction                                        d) command
29. 'ROM' stands for  
 a) read only memory                                b) random only memory  
 c) readily object memory                         d) random available memory
30. An intermediate between computer hardware and software is  
 a) desktop    b) interface  
 c) firmware                                         d) system software

BRIDGE COURSE REPORT (2019-2020)

The Department of Commerce, Nanjil Catholic College of Arts and Science, Kaliyakkavilai, offered a 30-hour Bridge Course for the First Semester B. Com A1 students of Batch 2019-2020 from 10-06-2019 to 14-06-2019. This course aims to give the students basic knowledge about accounting before starting the class on Financial Accounting. 56 students registered for the programme. Faculty members of the Department of Commerce, Dr.R.Jolly Rosalind Silva, Mrs. Vincy , Dr.M.Sindhu and Dr. M. Gnana Mukila handled the sessions and covered the modules. The modules contained 'Basic Accounting', Types of Accounts, and Preparation of Final Accounts. An examination was held on 14-06-2019, to assess the knowledge they acquired from the course. The question paper included objective questions from all three modules. All the students cleared the test. All the students actively participated in the one-week session and opined that all the sessions were very useful and informative for them. The sessions helped them to recollect their past accounting knowledge and aided in giving a fundamental idea about accounting for those students having science background.

**Report on Bridge course for freshers 2019-2020**

The Bridge course for the first semester student Bachelors of commerce was organised on 10.06.2019 at 10 a.m. at Nanjil Catholic College of Arts & Science. The Bridge course schedule from 17.06.2019 to 21.06.2019.

Its objective is to promote ample of time for the transaction of students from school to the college. In spite of having very good grades at higher secondary exam, students have long break since the month of April. Hence bridge course proves to be a best opportunity for the students to adopt themselves to new social and academic environment.

During the entire bridge course, the organisation was found to be very co-operative in every walk of its administrative and managerial aspects. The students acquired knowledge based on all major activity i.e. history of Commerce as well as Accountancy, life skills, Profile of the college, placement and higher studies.

After did the Bridge the feedback form was given to the students which is made by five-point scale parameters with 9 questions which showed 5 points indicates excellent, 4 points indicates good, 3 points indicates average, 2 points indicates satisfactory, 1 point indicates poor so on.

There were 62 students are participated among them 31 students are selected randomly to receive the feedback. The result showed that 25 of them have given rate for Excellent, 4 of them Good, 2 of them Average. There is no rate for satisfactory and poor.

The students asked several questions after did the programme and all the faculties were happy to satisfy their questions. This course was full of excitement and enthusiasm.

  
A handwritten signature in blue ink is present, along with a faint, circular stamp or seal that is partially obscured by the signature.

## DEPARTMENT OF SOCIAL WORK

### ORIENTATION PROGRAMME REPORT 2019-21

Aiming at making the social work smoother for the entrants, Department of social work has organized a one week bridge-course. Its objective is to provide ample time and a platform for the transition of students from degree level to the post graduate level In spite of having very good grades at graduation, students had long break since the month of April. Hence bridge course proves to be the best opportunity for the students to adapt themselves to new social and academic environment. During this interaction of one week with the staff members, the students will be equipped with the knowledge and the confidence needed to take on bigger challenges as future social workers of this country.

The orientation programme was celebrated as inaugural programme from 2013 onwards the students with their great enthusiasm reported and registered themselves at the college. Orientation programme was aimed to enhance student's familiarity with the faculties, Campus and the varied activities of the institution With a fresh startup of the bridge course, the students were exposed to the milieu of the institution with zeal and enthusiasm.,

**REPORT ON SKILL TRAINING**

**Introduction**

Department of social work students got an opportunity to learn the soft skill training session on 04/07/19. It was a one day program and the program was arranged by Dr.M.George David (HOD of the social work department). Soft skill training classes were conducted by Mrs.Kanaka pradhap (neurolinguistic programmer) Mrs.Subha (social worker). Mrs.Kanakapradhap leads the soft skill training classes. The skill training session included many games and motivational speeches etc... it was a good experience to every MSW students. The venue of the programme was college seminar hall. The soft skill training session started at 10:00 a.m. Every MSW trainees actively participated in the session.

Total 44 students attended that skill training program

**Objectives**

- To discover and improving skills with in the trainees
- To improve communication skills through games.
- To understand the importance of teamwork
- To set short term long term goals in life and to achieve success

**Activities**

The skill training programme started with silent prayer and welcome address which was given by Dr. M.George David, HOD. MS.Kanaka pradap, neuro linguistic programmer started her soft skill training by telling one of the MSW trainees to come forward and to do a self introduction. The activity was for the trainees to boost their self confidence. One second year social work trainee stepped up to make self introduction.

After the introduction the trainer focussed the following points. They are as follows:

- Communication is so important and that there must be proof in words no matter what language you use
- Must be able to speak in a way that appeal to audience
- Let others talk and be ready to listen to them
- Trainer has organised a game to make these things easier to understand the main point of the game is nonverbal communication
- Activity
- Members of the players stand in the same row with their eyes closed
- Trainer asked a trainee in sign language would you like to marry me
- Trainer asked him to sign the same to the next player in the game
- Despite trying to present the same thing but at the end of the game the idea changed.
- After that the trainer started talking about self sufficiency
- Trainer highlighted a few points
- Don't listen to all judgement
- The learning process is lifelong and it never ends
- We must strive to bring out the beauty of our life and work
- We should be able to give our best in all things
- Be prepared to face everything that happens in life
- The trainer uttered a very touching sentence to everyone. My work is my responsibility my communication is my responsibility my time is my responsibility my happiness is my responsibility
- If the strategy you are using now seems in effective do not delay to change the strategy
- Trainer shares his life path with trainees to keep this in mind
- After the break the trainer talked about the goal setting and teamwork
- Mrs.kanaka prathap introduced the book seven habits of effective people to trainees

### **Evaluation**

This session was very useful to the trainees. This session helped the trainee to make new decision that was positive. Games and classes help trainees to understand and improve their

self confidence level and communication skill. The Soft skill training program gave a sense of the Strategy to be used in life and field of learning.

### **Conclusion**

At 1:15 pm, the training session came to an end. Dr.George David (head of the Department) officially thanked the trainer and others.

**REPORT ON SEMINAR: "ELECTROPATHY"**

The social work department conducted seminar on the topic "Electropathy" On 29/01/2020 at 10.30am. The seminar was inaugurated by Dr. Justin Raj, Karunya Medical Institutions. 47 students and 3 faculty members participated in the seminar. Miss. Aiswarya G.R performed MC for the programme. The seminar started with the prayer song. Miss. Mekhala delivered welcome speech. She welcomed guests and students. At 11.00am the class started. The class was taken by Dr. Justin Raj.

He started the session by asking the following questions. The questions were what is health? What is a disease? What is electropathy and merits of electropathy. He gave awareness on foods, medicines and modification of life style. He insisted the following points: the fast foods are affected our body and it makes health problem. Then he told differences between Unani, Allopathy, Homeopathy, Siddha, Ayurveda, naturopathy and electropathy. Electropathy solved all the health problems. After that the participants cleared their doubts.

2<sup>nd</sup> session was taken by Mrs. Chithra. She discussed classes about electropathy medicines collected by 114 plants. At 1.00pm the seminar was ended with vote of thanks proposed by Mrs. Shalini.

The seminar was very interesting and useful to the participants. It gave new knowledge about electropathy and its importance. The students gave more positive comments about the seminar. The seminar could eradicate some myths and misconceptions about life style modification.

#### About the College

Nanjil Catholic College of Arts and Science is a secular institution recognized by Government of Tamilnadu and affiliated to Manonmaniam Sundaranar University, Tirunelveli. NACCAS was started in the year 2012 and located at Kaliyakkavilai, the border area of both Tamilnadu and Kerala. It is run by Latin Catholic Diocese of Kuzhithurai, Kanyakumari District. The goal of this institution is to mould persons of character, competence and commitment and enable them to face the challenges of modern life and make them sensitive to the need of the poor and deprived and evolve dynamic transcendent leaders of tomorrow. NACCAS is offering 18 disciplines of study at the UG, PG and Doctoral level.

#### About the department

The department of social work is established in 2013 with a vision of crafting professional social workers who are dedicated to the service of their fellow human beings and achieve excellence in their walks of life's through which the mission of Nanjil catholic college become more visibly accomplished. The department of social work has now expanded its horizons and started M.Phil and PhD courses from 2017 onwards. It has always tried to enhance the zeal and competence of the faculty by encouraging them to undergo training, attend workshop and publish good research work at national and international level. Besides it has incorporated innovative teaching and learning practices (pedagogic) along with improving the didactic classroom teaching, in the form of supplementary field visits, guest lectures, conclaves, summit, seminars, workshop and symposium, where by stalwarts in social science and field practitioners have been invited to interact.

#### About the workshop

Empathy has made an impact on social work practice in India and it also plays an important role within the international field of the social work profession. The concept of empathy has a long history within the social work literature. Furthermore, it has for years been suggested that social work practitioners should develop their empathy skills in order to understand and respond appropriately when working with variety of populations and meeting people with social problems. This training can be facilitated in a face to face setting. So this workshop would be helpful to the students know how to be empathic towards himself and others and can apply it in real life situations.

#### Objective of the workshop

The main goal of this workshop is that the participants can apply the learning materials from this training in real life situations to be able to be empathic with themselves as with others.
