I feel that the days of Orientation was very useful. We taught lots of good informations. They taught us good values. They taught about career. They taught us about job opportunities. I firmly believe that all these will help me to build a good career in future. & More than this they made us realise value of nature. How we are disposing it, and how to conserve it.

They introduced a new natural type of pesticide. I hope that all these will be very useful.

First we are enjoying in our class and first of all we don't know our course. Then our teachers were teaching them in easily method. Then we will understand, what is literature? Now this course is useful in our life. This class very boring. So you don't take this type of class to our juniors.

Thank you

03 Hours of training on Cyber Security and Digital Safety Essentials
offered by Naan Mudhalvan in partnership with Microsoft on April 25, 2023

Nanjil Catholic College of Arts & Science, Kaliyakkavilai

Department of Mathematics

SYLABUS FOR BRIDGE COURSE (2022- 2023)

Unit-I

Sets-Relations-Equivalence relations-functions-Types of functions-injective, subjective and bijective functions- composition of functions.

Unit-II

Vector, scalar functions. Vector Product, Scalar product, Vector tripe product

Unit-III

Differentiation of functions, Several Methods

Unit-IV

Integration, Double Integral, Triple Integral

Unit-V

Statistics-Mean, mode, median, S.D, variance of discrete and continuous random variables- Probability distributive functions.

Bridge Course (2022- 2023)

Nanjil Catholic College of arts and science, Kaliyakkavilai organized bridge course for fresher's of department of mathematics for the year **2022--2023**. Department of Mathematics framed an effective syllabus of this course of three days duration from 10-08-2022 and 11-08-2022. At the end of this course, students gave a wonderful feedback about this course. Eighty five percentages of our students feel that the information about profile of the college is excellent. Above ninety percentage of our students feel that the course was clear and sufficient to provide an understanding of the program. All of our students feel that coverage of the syllabus is excellent. Organization of the course and the emphasis on fundamentals are impressed the students very nicely. Also they expressed bridge course consists quality and useful syllabus. And they feel that the level of subject knowledge at the end of bridge course is far better than the level of subject knowledge at start of bridge course. Finally their overall rating of the bridge course is excellent.

NANJIL CATHOLIC COLLEGE OF ARTS AND SCIENCE

KALIYAKKAVILAI

DEPARTMENT OF PHYSICS

BRIDGE COURSE (2022-2023)

Syllabus for the Bridge Course

Unit 1: Introduction to Physics

Units and Measurements-Mass-Displacement-Velocity-Momentum- Acceleration -Force-Newton's laws of motion-Electric Charge-Coulomb's Law of force-Electric field-Electric Potential-Ohm's law.

Unit 2: Measurements

Charge, potential difference and Current-AC and DC- Galvanometer-Ammeter-Voltmeter-Multimeter.

Vernier calliper- screw gauge- travelling microscope (practical).

Unit 3: Properties of matter and Thermodynamics

Elasticity- Hooke's Law-applications- surface tension-spherical bubbles and drops-viscosity-stoke's law-Osmosis-buoyancy force and it's applications.

Gases- P, V and T- Laws of Thermodynamics-Isothermal, Isobaric, Isochoric processes- Application to IC Engine.

Unit 4: Mathematical Preliminaries

Set- function of single variable and multivariable - Differentiation- Integration- Meaning and importance.

Unit 5: Optics

Light-Reflection-Refraction-Refractive Index-Total Internal Reflection, types of lenses.

focal length of lens and it's measurement - basics of spectrometer (practical)

Dispersion-Interference-Diffraction- formation of Rainbow.

DEPARTMENT OF PHYSICS

BRIDGECOURSE (2022-2023)

The Department of Physics conducted the bridge course for the students of 2022-2023 batch for four days, from 8th August 2022 to 12th August 2022. Each day is divided into five sessions. The sessions were handled by the staff of the Physics and English departments. In the first day, Dr.Amalanathan explains the rules and instructions to be followed by the students. He also gave an introduction to the Physics Department. Basics in physics and UG level physics syllabus were taught in physics session. The laboratory instructions were given to the students. Some of the basic experiments were explained by Mrs.V.Beena and Dr.Dominic. The Mathematical preliminaries were taught by Mr.F.Sahaya Raj. The last day of the session is handover to English to improve their communication skills. The students were learned and interacted with faculty about those subjects with much interest. Finally a test was conducted to check the outcome of student's knowledge in the bridge course.

Choose the Correct answer

1. Light travels faster in
a) water b) air c) Glass d) Diamond
2. The deviation of light ray from its path when travels from one media into other is called as,
a) Reflection b) Polarization c) Refraction d) dispersion
3. According to the laws of reflection, the angle of incidence is _____ angle of reflection.
a) equal to b) greater than c) smaller than d) doesn't depend upon
4. Number of images between two parallel mirrors is _____
a) 0 b) infinity c) finite d) cannot be determined
5. Variation of velocity results in
a) transport of mass
b) transport of momentum
c) transport of energy
d) None of the above
6. Newton's first law says about,
a) Inertia b) Force c) Momentum d) Acceleration
7. derivative of $\cos x$ is _____
a) $\sin x$ b) $\cos x$ c) $-\sin x$ d) $-\cos x$
8. The ratio of velocity of light in air to the velocity in a media is known as,
a) Reflection b) Refraction c) Total internal reflection d) refractive index
9. derivative of a constant is,
a) x b) constant c) 0 d) infinity
10. SI Unit of mass
a) gram b) mg c) ng d) kg
11. The mesure of resistance to flow is
a) Elasticity b) viscosity c) resistivity c) none of these
12. The fluid with low resistance flows
a) easily b) fast c) medium d) none of these

13. The ability of a body to resist a distorting influence and to return to its original size and shape when that influence or force is removed is
a) viscosity, b) elasticity, c) compressibility d) none of these
14. $\int k \, dx = \underline{\hspace{2cm}}$ (k is a constant)
a) kx b) $kx+c$ c) 0 d) $kx/2$
15. The measure of the relative volume change of a fluid or solid as a response to a pressure (or mean stress) change is
a) viscosity, b) elasticity, c) compressibility d) none of these
16. Name the device used to measure the amount of current flowing through a circuit.
a) Voltmeter b) galvanometer c) ammeter d) none of these
17. Who is the father of AC Current
a) Edison b) Tesla c) CV Raman d) Chandrasekaran
18. Metals are.....
a) conductor, b) insulator, c) semiconductor, d) none of these.
19. Thermometer is used to measure.....
a) Temperature, b) pressure, c) cholesterol, d) sugar
20.is used to store charges.
a) Resistors b) capacitors c) inductors d) diodes
21. Interference is a behaviour of
a) particles b) waves c) both waves and particles d) neither wave nor particle
22. Second law of thermodynamics is
a) Law of increased entropy
b) Law of conservation of energy
c) Law of decreased entropy
d) None of the above
23. Sublimation is the transition of substance from
a) Solid to liquid phase
b) Liquid to gas phase
c) Solid to gas phase
d) None of the above
24. Reactions going on in the refrigerator is
a) Adiabatic process
b) Isothermal process
c) Isobaric process
d) None of the above
25. Absolute zero is
a) 273.15°C
b) 459.67°C
c) -273.15°C
d) None of the above

Unit I

Atomic structure: Atom, molecule, compound, element, atomic number, mass number, atomic weight, molecular weight, isotopes, mole concept, chemical equations, redox reactions.
Chemical bonding: Types of chemical bonds -ionic bonding, covalent bonding, hydrogen bonding, hybridization, VSEPR theory.

Unit II

Periodic Table: Electronic configuration, Periodic properties- Electron negativity, Ionization energy, Electron affinity, Electropositivity.

Unit III

Solutions: Concentration units, concept of acids and bases.
Solid state: Crystalline and amorphous solids
Balancing the chemical Equations

Unit IV

Thermodynamics: Laws of Thermodynamics, Thermodynamic properties- Internal energy, Enthalpy, Entropy, Free energy, Exothermic and Endothermic reactions

Unit V

Organic Chemistry: Functional groups, alkanes, alkenes, alkynes, alcohols etc.
Type of reactions and mechanism.

Practical: Qualitative and Quantitative analysis

Bridge Course Report (2022-2023)

The bridge course was conducted by the department of chemistry for the students in the academic year 2022-2023 on 16-08-2022 to 18-08-2022. The aim of the course is to increase the basic knowledge in chemistry in college level and bring their interest on the chemistry subjects through practical experiments and basic theory classes. The classes were carried out by five sessions and the topics divided as five units and experimental session. Unit I is Atomic structure and Chemical bonding. Unit –II is Periodic Table, Unit –III is Solutions, Solid state and Balancing the chemical Equations, Unit –IV is Thermodynamics, UNIT- V is Organic Chemistry and the practical session Qualitative and Quantitative experiments were carried out by the students. The basic concepts in chemistry were taught by faculties from the department. In the last day, feedback was collected from the students.

BRIDGE COURSE (2022 -2023)

Total Marks: 10

1) Ceria is used in

- a)toys b)tracer bullets c)gas lamp materials d)none of the above

2) NH_4OH is weak base because.....

- a) it has low vapour pressure b)it is partially ionised c)it is completely ionised d)it has low density

3) One can draw the map of building on a glass plate by

- a)HI b)HF c)HBr d)HI

4) The correct electronic configuration of copper atom is

- a) $3d^{10}4s^1$ b) $3d^{10}4s^2$ c) $3d^94s^2$ d) $3d^54s^24p^4$

5) The bond order of oxygen molecule is

- a)2.5 b)1 c)3 d)2

6)The geometry of $[\text{Ni}(\text{CN})_4]^{2-}$ is

- a)Tetrahedral b)Square planar c)Triangular d)Octahedral

7) ${}^{235}_{92}\text{U}$ nucleus absorbs a neutron and disintegrates into ${}^{139}_{54}\text{Xe}$, ${}^{94}_{38}\text{Sr}$ and x. What will be the product x.

- a)3 neutron b)2 neutron c) α particles d) β particles

8) In the Bragg's equation for diffraction of X-ray, 'n' represents

- a)The number of moles b)Avogadro number c)A quantum number d)Order of reflection

9) Change in Gibbs free energy is given by

- a) $G = H + TS$ b) $G = H - TS$ c) $G = H \times TS$ d)None of the above

10)The half life period of a first order reaction is 10 minutes . Then its rate constant is

- a) $6.93 \times 10^2 \text{ min}^{-1}$ b) $0.693 \times 10^{-2} \text{ min}^{-1}$ c) $6.932 \times 10^{-2} \text{ min}^{-1}$ d) $69.3 \times 10^{-1} \text{ min}^{-1}$

Bridge Course: 2022-2023

The bridge course for the academic year 2022-2023 was conducted from 8/8/2022 to 13/8/2022. The session started with a welcome address given by Mr.K.C Abhilash Sam paulstin, Head Department of Computer Science following which he continued to introduce the various teachers who are going to be handling the various subjects for the 50 fresh faces in the computer science department.

An introductory session was given by Dr. Cincy W C. Importance was given to give the basics of computer science so that the students from the Biology Group can get a clear cut idea about the subject. Student friendly lab sessions were conducted in the UG lab as most of the students were using computers for the first time. Faculty members from the Department of Computer Science handled various sessions and they have successfully completed the bridge course the commencement of the main course.

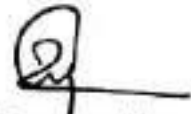

All the students gave a positive feedback on the bridge course and especially the lab sessions were highly appreciated.

The staff members were appreciated well by the management for their dedicated service.

Test Report

Candidate Name:

ANUSHIYA A

READING

B1

WRITING

B1

SPEAKING

A2

LISTENING

A1

These results show that the candidate can:

Produce a short series of simple phrases and sentences on familiar topics.

Understand the general meaning of short, non-routine messages and longer articles within their work context.

Write straightforward messages to colleagues, customers, or contacts at other companies on a range of familiar subjects.

Recognise familiar words and very basic phrases from slow, clear speech.

Upskill assesses English language ability at A1, A2 and B1 on the Common European Framework of Reference (CEFR). For each skill assessed, candidates are awarded a CEFR level. If more than one skill is assessed, an average score is awarded. A short description of what a typical candidate can do at the achieved CEFR level is also reported. More detailed 'Can do' statements can be found at: www.coe.int/lang-CEFR.

Introducing students to digital citizenship

What is digital citizenship?

The concepts behind digital citizenship are the safer, more responsible and appropriate use of technology and devices.

Class discussion: digital civility

You can use Microsoft's four tenets of digital civility to start the conversation with your class. Do they agree with the statements? How might they practice these behaviors?

Live the golden rule

I will act with empathy, compassion and kindness in every interaction, and treat everyone I connect with online with dignity and respect.

Respect differences

I will appreciate cultural differences and honor diverse perspectives. When I disagree, I will engage thoughtfully and avoid name calling and personal attacks.

Pause before replying

I will pause and think before responding to things I disagree with. I will not post or send anything that could hurt someone else or threaten my safety or the safety of others.

Stand up for myself and others

I will tell someone if I feel unsafe, offer support to those who are targets of online abuse or cruelty and report activity that threatens anyone's safety.

Class discussion: empathy and resilience

What is empathy?

Empathy is about being able to put yourself in someone else's shoes and think about how a situation might make them feel.

And what about resilience?

Resilience is all about taking back control of your emotions. Being resilient can help you bounce back when bad things happen online. There are lots of situations where it's completely valid to feel sad, angry or frustrated. But being resilient can help you not turn a bad moment into a bad day.

How can we best respond to 'drama' online?

Say you're on your favorite app and someone posts something about your best friend. Before you respond, think about who has posted and where they might be coming from. Ask yourself why they might post it. What were they thinking or feeling?

Next, think about how you could respond. Is anything you post going to change their mind, or might it just add to the drama? Think about putting your phone down and go for a walk, hang out with a friend, or chat to your family – and see if that helps to put it all in perspective.

Quiz

Page 2 of this document features a short quiz. Use it as a departure point to see how much students understand or as a summative assessment to see how much they have learned. Answers are below so that they do not appear on the sheet.

1. Respecting differences, pausing before replying and living by the four tenets
2. Offer support to those who are targets of online abuse or cruelty. Report activity that threatens anyone's safety.
3. Take a breath before responding. Try seeing the situation from their point of view.
4. Try to put things in perspective. Work to understand and take control of your emotions. Put down your phone and spend time with your family.
5. Avoid name calling and personal attacks. Engage thoughtfully.

Being a good digital citizen

How respectful and empathic are you?

1. Which one of the following makes a good digital citizen?

- ☐ Making sure you remember all your login details
- ☐ Ignoring or avoiding any bad behaviors online
- ☐ Respecting differences, pausing before replying and living by the four basic tenets of digital civility

2. Which two of the following actions can you help stand up for others?

- ☐ Delete any app where people post comments you don't like
- ☐ Offer support to those who are targets of online abuse or cruelty
- ☐ Report activity that threatens anyone's safety
- ☐ Tell your friend to harden up and get over it

3. What are two things you could do if you see a post or comment you don't agree with?

- ☐ Take a breath before responding
- ☐ Tell all your friends to block the person on your social apps
- ☐ Try seeing the situation from their point of view
- ☐ Quickly comment with an angry face emoji to let them know they've upset you

4. Which three of these actions can help you to be more resilient?

- ☐ Suppress and ignore your emotions
- ☐ Try to put things in perspective
- ☐ Avoid any situation that is tough or stressful
- ☐ Make mean comments on other people's posts before they do it to you
- ☐ Work to understand and take control of your emotions
- ☐ Put down your phone and spend time with your family

5. What are two ways you can respect differences of opinion?

- ☐ Ignore any perspectives that are different to yours
- ☐ Avoid name calling and personal attacks
- ☐ Engage thoughtfully

Bridge Course Report

Academic Year (2022-2023)

Department of Business Administration organized a bridge course for the first year BBA students to bridge the gap between the school level and the undergraduate level from 8/8/2022 to 11/8/2023. The expert teachers of our department helped them with different topics like communication skills, know yourself, introduction to management, fundamentals of accounting and English. The students were interested in knowing all the topics. At the end of the course we conducted a test with 35 questions. All the students passed in the exam with a minimum score of 15 and a maximum score of 34.

BRIDGE COURSE REPORT (2022-2023)

The Department of B.Com (A1&A2) conducted Bridge Course for the first year students of the academic year 2022-2023 from 8th, 10th and 11th of August 2022. The main objective of the course is to bridge the gap between subjects studied at Higher Secondary level and subjects they would be studying in B.Com level. It focuses on students with different learning abilities, academic standards and performances. It also helps to identify the fundamental knowledge in the field of commerce.

The syllabus for the course is framed in such a way that they get basic knowledge on Accountancy. Basics of Accounting for 6 hours, letter writing for 2hours and basics of Maths for 2hours were effectively delivered by the faculty members. At the end test were also conducted and student's performance and subject knowledge were evaluated. Students who attended the bridge course classes have gained the knowledge and skills of basic concepts of Accounting and 74 students got benefited out of this course.

Skill development programme

The entire MSW department along with NSS students of Nanjil catholic college gathered in the seminar hall. Whole arrangement for the skill development program started at 9, the skill development programme commenced at 9;30 with a prayer song by Sruthilakshmi(11 year MSW) followed by a welcome speech done by Ms Keerthana (11 year MSW). Adv Antush Jerome made session on drug awareness and mobile addiction. It ended at 10; 25. JCI president taught the students about the interview skill that needs to be followed in an interview. Thereafter Don Wesley did a session on how to over come stage fright the feed back was collected. Mr savour he took a session on how to plan the syllabus. The whole event was facilitated Adv Antush Jerome.

The morning session was conducted for both NSS and MSW trainees and it was found much useful and effective for both groups. All the students were given enough chance to speak on the stage with the aim of eradicating students stage fright. All most the complete participants were actively partaking in the programme with lot of enthusiasms and passion. The afternoon session was only for MSW trainees as the students who were the members of NSS could not continue therefore only MSW trainees were present for the rest of the programme. The session restarted at 1:45 in the afternoon, soon after the beginning social work trainees were divided into four groups for group activity.

Social work trainees dynamically joined in the group activity which was held. It was detained in different levels and format. Those events have tremendously helped the trainees so much. The skill development programme was in it culmination at 3:45 with the presents of collage principle Mr Meenakshisundararajan, MSW Faculties and the entire resources persons. Mr Meenakshisundararajan the principal of Namjil catholic collage made an interactive talk with the MSW trainees to get to know the feedback regarding the session. The vote of thanks was delivered by Mr Jacob (1 year MSW) the program was ended at 4 in the evening.
