Result Analysis - Report

Academic Year: 2022-2023

Based on result analysis of every department of the university examination held on April 2023. Result Analysis report makes you finding insights from results published by the Manonmaniam Sundaranar University. Result analysis is an important tool to analyze the teaching ability of each faculty.

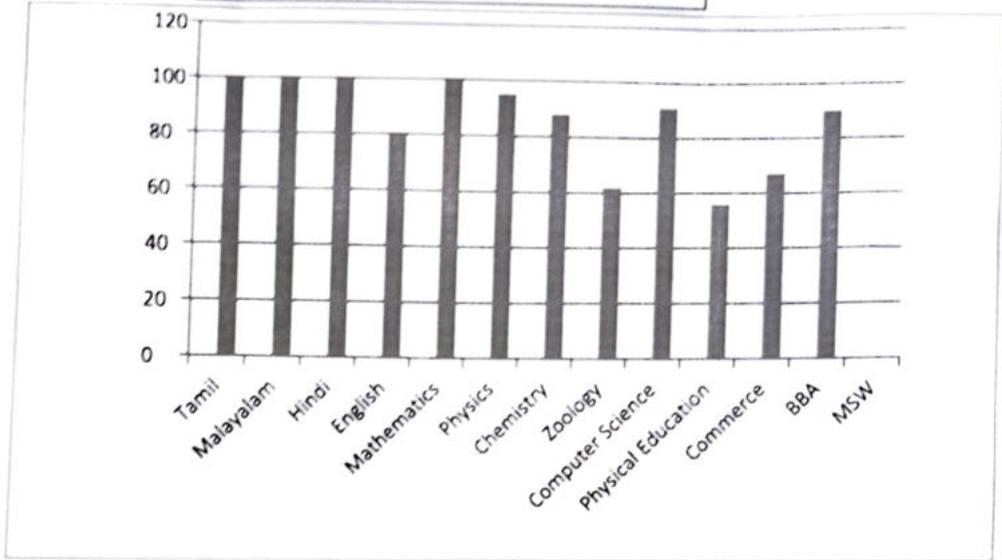

This report consists the analysis of 10 departments. All the departments produced excellent results. In particular, Department of Mathematics, Physical Education and Business administration produced centum results and therefore all the UG students for the academic year 2022-2023 in these 3 departments are eligible to do their higher studies. All the remaining UG departments just approached the centum results. Few of the arrear students will get good marks in the next university examination.

For the PG departments, department of Physics, Department of computer science, Department of Tamil, Department of PG Commerce and Department of MSW produced 100% results in April 2023 university examinations. It was awesome achievement for the mentioned departments. The students from the remaining PG department's 95% of the students get good marks with distinction. All the MPhil departments produce centum results.

Moreover the UG and PG departments produced excellent first class results as shown in the following graph.
