INDUSTRIAL VISIT TO IISER, THIRUVANANTHAPURAM

KERALA, INDIA

On 10th October 2022

As a part of curriculum the department of Physics organised an one industrial visit for PG students to IISER, Trivandrum. 42 students along with 2 staff members visited IISER on 10th October 2022. The journey to the centre started at 7.30am on the day. The team reached the centre at 10am. The authorities of the centre welcomed our team in a warm way. After having a tea, Dr. Tanumany Mandal explained about ISSER, thiruvananthapuram with power point presentation.

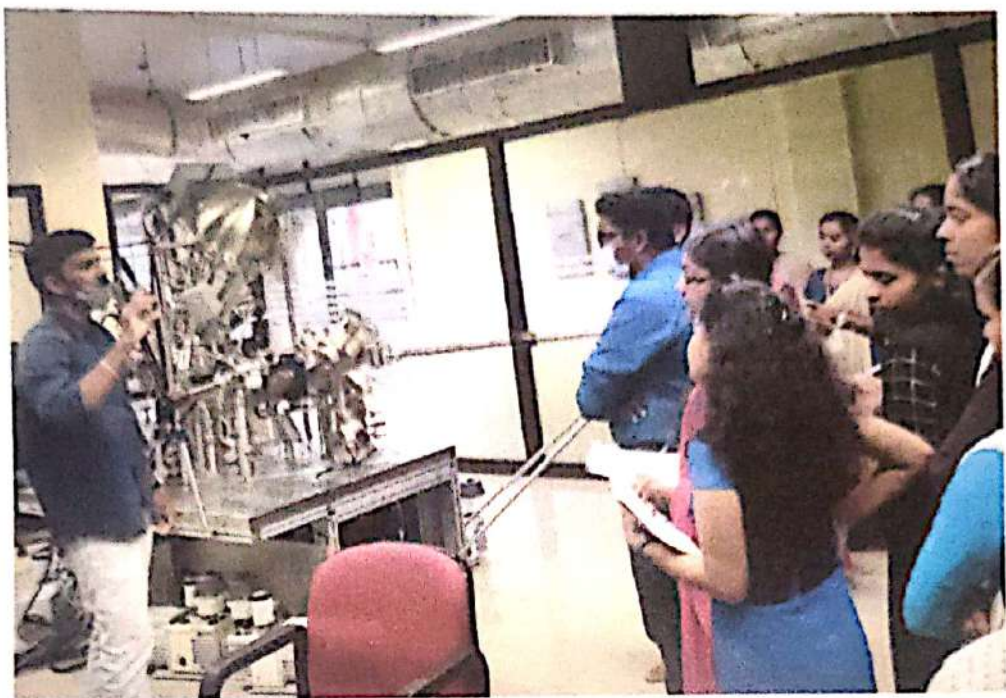

After this section, we started to visit CIF (central instrumentation facility) of IISER. The Central Instrumentation Facility (CIF) of IISER, TVM houses state-of-art instrumentation for advanced characterization of molecular compounds and materials.

Following are some of the major equipments available in CIF

- Nuclear Magnetic Resonance Spectrometer (NMR) - Solid State 500MHz
- Nuclear Magnetic Resonance Spectrometer (NMR) - 500 MHz & 700 MHz
- Powder X-Ray Diffractometer
- Scanning Electron Microscope with EDS & WDS
- Scanning Electron Microscope with Electron Beam Lithography and EDS
- Transmission Electron Microscope - 120 KV
- Transmission Electron Microscope - 300 KV (HR) with EDS & EELS
- X-ray Photoelectron Spectroscopy (XPS)

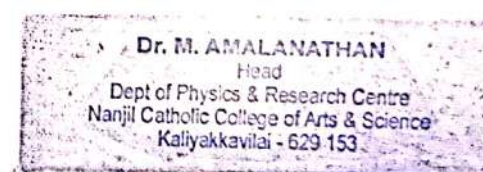

The instructors of the each lab explained the functioning and use of instrument in a very elaborate and understandable way. The session ended at 12.30pm and we had the lunch from the canteen. After the lunch, we visited the various Physics research labs. There the research scholar's explained in details about the functioning and uses of various instruments in superconductor, solid state, quantum mechanics and biophysics labs. Finally we left at 4.30 pm and reached the college by 6.30.pm.

Report On

**INDUSTRIAL VISIT TO SCIENCE & TECHNOLOGY MUSEUM,
THIRUVANANTHAPURAM, KERALA, INDIA**

On 21st October 2022

As a part of curriculum the department of Physics organised an one day industrial visit for the UG Physics students to the Science & Technology Museum, Trivandrum. 40 students along with 2 staff members visited the museum on 21st October 2022. The journey to the museum started at 7.30 am on the day. The team reached the centre at 10am.

First we visited Science On a Sphere (SOS) at 10.00 am. SOS is a room sized, global display system that uses computers and video projectors to display planetary data onto a six foot diameter sphere, analogous to a giant animated globe. Then we visited Planetarium at 10.30 am. After that we visited 3D theatre at 11.15 am. Students learned and enjoyed all the shows. After having the lunch, we visited the gallery and science park. The gallery has Electrical gallery, Electronics galleries, Popular Science gallery, Mathematical gallery, Mechanical gallery, Automobile gallery, Bio medical engineering gallery, Computer gallery, Solar energy gallery, and Space gallery. Different exhibits displayed in the gallery helped the students understand the various disciplines of science and technology.

Then we visited the Science park, a Mobile Science Exhibition Unit, a Play Park with Educational playing devices in the museum at around 3pm. Finally we left the museum at 4.00 pm and reached the college by 6.00 pm.

Industrial Visit

Date : 06.03.2023

Venue: IISER, Nedumangadu

Class : B.Sc III year & M.Sc II year students

Our department of Chemistry went on an industrial visit to IISER, Nedumangadu on 06.03.2023.

We, two staff members and students from I M.Sc, II M.Sc and III B.Sc of our department visited IISER. We entered the Research Centre at 10.00 a.m. Already, we got permission from the centre. So, on showing the permission card, we were allowed to enter the main block.

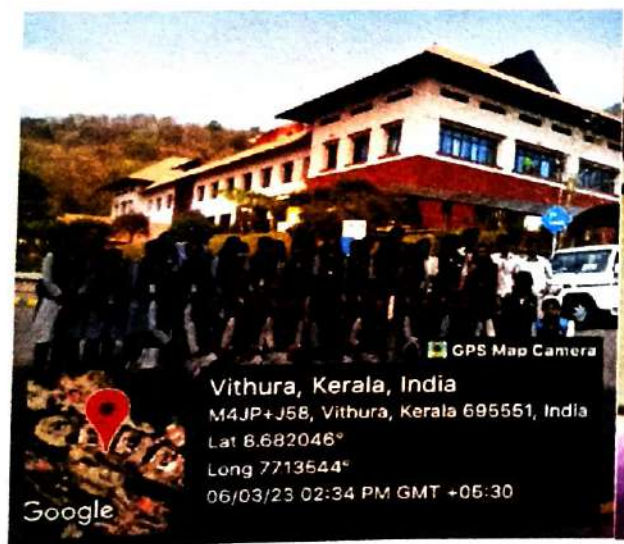

First, we had tea and snacks. After that, we refreshed ourselves and attended the powerpoint presentation, given by a professor of the centre. It was about the achievement of the science chemists. He also explained about various scholarship examinations for the candidate selection of research. He also showed the norms for the selection procedure. He explained the importance of research works and various jobs, obtained from them.

Then we visited Chemical Science block. There the students were well explained of the principle, working and instrumentation of IR, UV, NMR, Mass, GC-MS, FT-IR Spectroscopy. Then, at 1.00' clock, we had lunch in the campus canteen. Then, again we continued watching the working of other instruments. Chromatographic techniques were well explained.

We departed at 4.00 p.m. We thanked a lot for the opportunity given to us.

Dear Fr. Secretary

Sub: Permission for an Industrial Visit

I am writing to request your permission for an Industrial Visit to VOC Port, Thoothukudi, with our II B.Com A1 & A2 Students. This one day trip is scheduled on Friday, the 17th of March 2023. 48 students from II B.Com A1 and 53 students from II B.Com A2 and three Faculty members are accompanying for the trip.

The purpose of the Industrial Visit is to get an insight on the subject Logistic Management which they are undergoing in the current semester. We expect to get some practical experience on Warehouse operations, Freight Forwarding, Port services and also the Layout of company premises.

I believe that this educational trip will be an excellent opportunity for the students to learn about the subject and gain a better understanding.

Thank you for considering my request.

Yours Faithfully,

Dr.R.Jolly Rosalind Silva

Industrial Visit Report

On 17th of March 2023, 47 students of second Year B.Com along with three Faculty members of Department of commerce visited V.O. Chidambaranar(V.O.C) port in Tuticorin. We left from the college at 5.00 am and reached Tuticorin by 9:45 am. First, we headed to V.O.C Port and then we went to kattadi mala after that we went to kanyakumari for shopping.

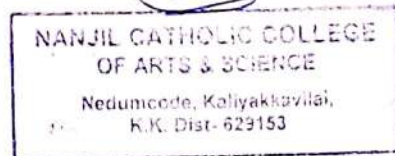

As a part of curriculum (Logistic management), the Head of the Department of commerce organised the industrial visit to V.O.C port. **V.O. Chidambaranar Port Authority** is a port in Thoothukudi, Tamil Nadu, and is one of the 13 major ports in India. It was declared to be a major port on 11 July 1974. It is second largest port in Tamil Nadu and third largest container terminal in India. V.O. Chidambaranar Port is an artificial port. It has services to USA, China, Europe, Sri Lanka and Mediterranean countries. The Station Commander, Coast Guard Station Thoothukudi is located at V.O. Chidambaranar Port Authority, Tamil Nadu under the operational and administrative control of the Commander, Coast Guard Region (East), Chennai. The Station Commander is responsible for Coast Guard operations in this area of jurisdiction in Gulf of Manna.

The administrative person guided us and taught all the functions of the V.O.C port and also the logistic operations. Students were actively participated and enjoyed it. Finally we returned back at 11.30pm on the same date.

Report On

**INDUSTRIAL VISIT TO IISER, THIRUVANANTHAPURAM
KERALA, INDIA**

On 10th October 2022

As a part of curriculum the department of Physics organised an one industrial visit for PG students to IISER, Trivandrum. 42 students along with 2 staff members visited IISER on 10th October 2022. The journey to the centre started at 7.30am on the day. The team reached the centre at 10am. The authorities of the centre welcomed our team in a warm way. After having a tea, Dr. Tanumany Mandal explained about IISER, thiruvananthapuram with power point presentation.

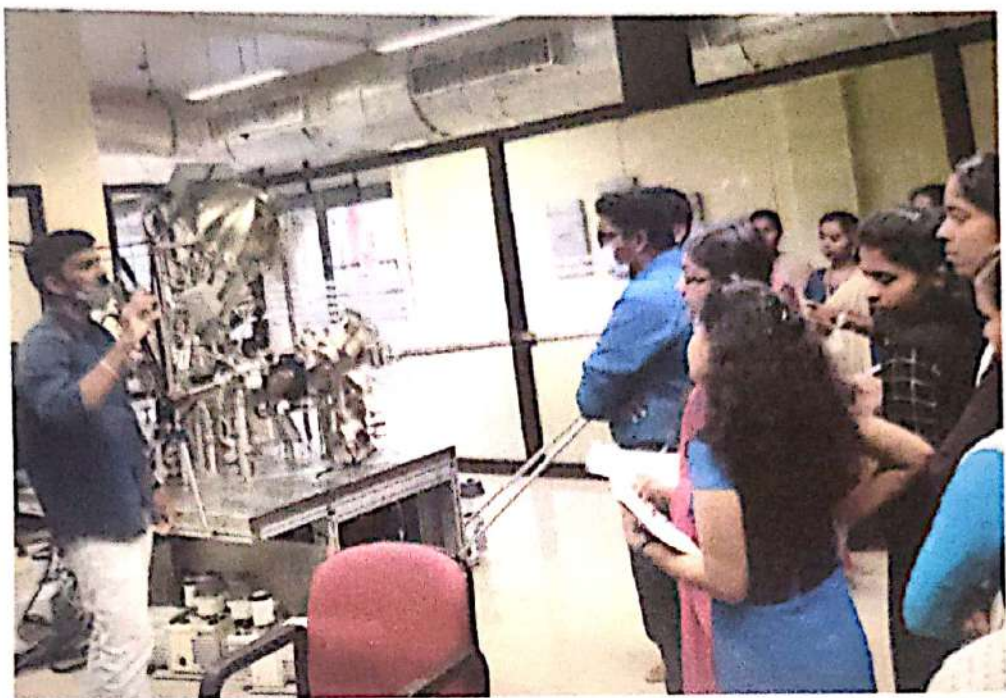

After this section, we started to visit CIF (central instrumentation facility) of IISER. The Central Instrumentation Facility (CIF) of IISER, TVM houses state-of-art instrumentation for advanced characterization of molecular compounds and materials.

Following are some of the major equipments available in CIF

- Nuclear Magnetic Resonance Spectrometer (NMR) - Solid State 500MHz
- Nuclear Magnetic Resonance Spectrometer (NMR) - 500 MHz & 700 MHz
- Powder X-Ray Diffractometer
- Scanning Electron Microscope with EDS & WDS
- Scanning Electron Microscope with Electron Beam Lithography and EDS
- Transmission Electron Microscope - 120 KV
- Transmission Electron Microscope - 300 KV (HR) with EDS & EELS
- X-ray Photoelectron Spectroscopy (XPS)

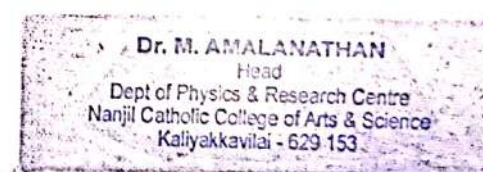

The instructors of the each lab explained the functioning and use of instrument in a very elaborate and understandable way. The session ended at 12.30pm and we had the lunch from the canteen. After the lunch, we visited the various Physics research labs. There the research scholar's explained in details about the functioning and uses of various instruments in superconductor, solid state, quantum mechanics and biophysics labs. Finally we left at 4.30 pm and reached the college by 6.30.pm.

Report On

**INDUSTRIAL VISIT TO SCIENCE & TECHNOLOGY MUSEUM,
THIRUVANANTHAPURAM, KERALA, INDIA**

On 21st October 2022

As a part of curriculum the department of Physics organised an one day industrial visit for the UG Physics students to the Science & Technology Museum, Trivandrum. 40 students along with 2 staff members visited the museum on 21st October 2022. The journey to the museum started at 7.30 am on the day. The team reached the centre at 10am.

First we visited Science On a Sphere (SOS) at 10.00 am. SOS is a room sized, global display system that uses computers and video projectors to display planetary data onto a six foot diameter sphere, analogous to a giant animated globe. Then we visited Planetarium at 10.30 am. After that we visited 3D theatre at 11.15 am. Students learned and enjoyed all the shows. After having the lunch, we visited the gallery and science park. The gallery has Electrical gallery, Electronics galleries, Popular Science gallery, Mathematical gallery, Mechanical gallery, Automobile gallery, Bio medical engineering gallery, Computer gallery, Solar energy gallery, and Space gallery. Different exhibits displayed in the gallery helped the students understand the various disciplines of science and technology.

Then we visited the Science park, a Mobile Science Exhibition Unit, a Play Park with Educational playing devices in the museum at around 3pm. Finally we left the museum at 4.00 pm and reached the college by 6.00 pm.

Industrial Visit

Date : 06.03.2023

Venue: IISER, Nedumangadu

Class : B.Sc III year & M.Sc II year students

Our department of Chemistry went on an industrial visit to IISER, Nedumangadu on 06.03.2023.

We, two staff members and students from I M.Sc, II M.Sc and III B.Sc of our department visited IISER. We entered the Research Centre at 10.00 a.m. Already, we got permission from the centre. So, on showing the permission card, we were allowed to enter the main block.

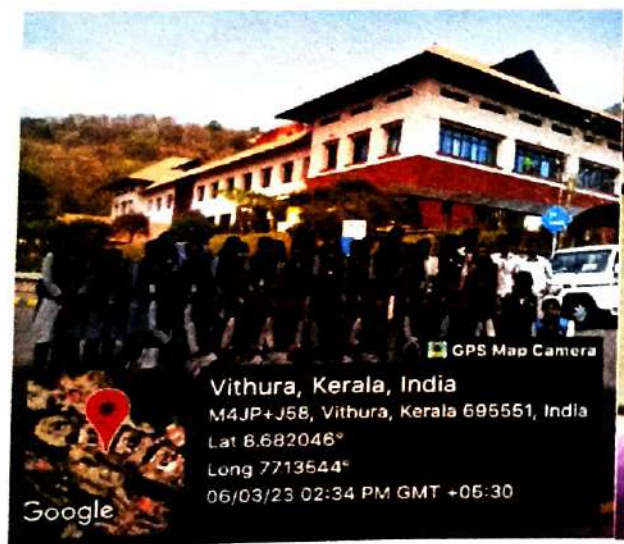

First, we had tea and snacks. After that, we refreshed ourselves and attended the powerpoint presentation, given by a professor of the centre. It was about the achievement of the science chemists. He also explained about various scholarship examinations for the candidate selection of research. He also showed the norms for the selection procedure. He explained the importance of research works and various jobs, obtained from them.

Then we visited Chemical Science block. There the students were well explained of the principle, working and instrumentation of IR, UV, NMR, Mass, GC-MS, FT-IR Spectroscopy. Then, at 1.00' clock, we had lunch in the campus canteen. Then, again we continued watching the working of other instruments. Chromatographic techniques were well explained.

We departed at 4.00 p.m. We thanked a lot for the opportunity given to us.

Dear Fr.Secretary

Sub: Permission for an Industrial Visit

I am writing to request your permission for an Industrial Visit to VOC Port, Thoothukudi, with our II B.Com A1 & A2 Students. This one day trip is scheduled on Friday, the 17th of March 2023. 48 students from II B.Com A1 and 53 students from II B.Com A2 and three Faculty members are accompanying for the trip.

The purpose of the Industrial Visit is to get an insight on the subject Logistic Management which they are undergoing in the current semester. We expect to get some practical experience on Warehouse operations, Freight Forwarding, Port services and also the Layout of company premises.

I believe that this educational trip will be an excellent opportunity for the students to learn about the subject and gain a better understanding.

Thank you for considering my request.

Yours Faithfully,

Dr.R.Jolly Rosalind Silva

Industrial Visit Report

On 17th of March 2023, 47 students of second Year B.Com along with three Faculty members of Department of commerce visited V.O. Chidambaranar(V.O.C) port in Tuticorin. We left from the college at 5.00 am and reached Tuticorin by 9:45 am. First, we headed to V.O.C Port and then we went to kattadi mala after that we went to kanyakumari for shopping.

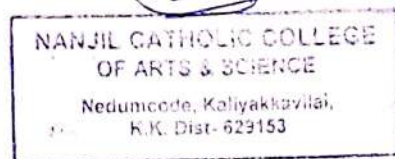

As a part of curriculum (Logistic management), the Head of the Department of commerce organised the industrial visit to V.O.C port. **V.O. Chidambaranar Port Authority** is a port in Thoothukudi, Tamil Nadu, and is one of the 13 major ports in India. It was declared to be a major port on 11 July 1974. It is second largest port in Tamil Nadu and third largest container terminal in India. V.O. Chidambaranar Port is an artificial port. It has services to USA, China, Europe, Sri Lanka and Mediterranean countries. The Station Commander, Coast Guard Station Thoothukudi is located at V.O. Chidambaranar Port Authority, Tamil Nadu under the operational and administrative control of the Commander, Coast Guard Region (East), Chennai. The Station Commander is responsible for Coast Guard operations in this area of jurisdiction in Gulf of Manna.

The administrative person guided us and taught all the functions of the V.O.C port and also the logistic operations. Students were actively participated and enjoyed it. Finally we returned back at 11.30pm on the same date.

Awareness Program

Anti-Ragging and anti-eve teasing cell conducted a awareness program on 19/09/2022 at 12.45 pm. in the college seminar hall 1159 students were participated in the meeting.

The meeting was chaired by Rev. Fr .Dr. M. Eckermens Michael. He felicitates the gathering. In his felicitation, he point out the harmful effects of ragging.

Our college principal Dr. A. Meenakshi Sundararajan addressed the origin and menace of ragging in India and also explained the legal consequences of involvement in such activities. He also reiterated that anyone who is actively or passively, or is a part of a conspiracy to promote ragging, is liable to be punished.

The key note address was addressed by Rev.Fr. Sebastin. He started the awareness session by defining ragging as stated by the Honorable Supreme Court of India and Raghavan Committee and then proceeded to discuss a few cases of ragging in India that resulted He highest numbers of ragging cases were in death and severe damage to the mental state of victim and victim's family. He also stated that the highest numbers of ragging cases were reported in 2019 as per UGC. ragging to make sure that the students are able to understand which activities are stated as ragging in UGC rules and regulation. He discussed about the various punishments given in the case of ragging. .He addressed that different strategies and action plan for curbing the menace of ragging in the college by adopting various measures and activities. The meeting was ended at 2.30 pm with National Aantham.
